PORN THEATER

My husband, Manuel, recently passed away at the relatively young age of 56. We had a great life together—especially as far as sex was concerned. In our 20's and 30's—hell, even in our 40's—we were very kinky, and willing to experiment every which way. Now, with Manuel gone, I find myself reliving our past escapades. That's why I wanted to share my fondest memory with you—a moment that we both felt was our hottest adventure ever.

About 25 years ago, we decided to rent out our favorite local porn theater on a Tuesday evening. I had dressed carefully—putting on a tight, red leather skirt and see-through blouse, under which I wore fishnet stockings and a garter belt. I made sure to top the outfit off with black spiked heels and a trench coat.

We were alone in the theater and settled onto the comfortably upholstered seats and began to watch that night's feature. Immediately, I began to get wet, just by looking at our surroundings. Squirming in my seat, I tried to attract Manuel's attention, but he was too into teasing me and just kept munching on some popcorn.

Well, I knew how to make him pay attention to me. When the lovely blonde girl in the movie began giving head to the leading man, I stood up, took off my coat, and knelt between Manuel's legs. Unzipping his fly with one hand, I began rubbing my hard, rosy nipple with my other. His cock sprang out—erect and already leaking pre-cum.

I took his member into my wet mouth and made the same movements the actress did by bobbing my head up and down—taking his cock as far into my throat as it would go—then drawing back and flicking the tip with my tongue. Manuel began to moan, and I could feel his fingers entwine themselves in my hair as he held my face to his cock. My slippery saliva coated his staff, leaving it glistening in the low light of the theater—his purple head swollen with desire.

I reached up under my tight, short skirt for an exploratory feel of my cunt, and let me tell you—it was sopping! The moisture had dripped down the tops of my stockings, and I was planning to stop at just a quick feel, but when my fingers grazed the hot joy button of my clitoris, I knew I had to keep rubbing.

wide, and motioned Manuel over. He stood between my legs, and I wrapped them around him, drawing him close to my body. I could feel his cock pressing against my pussy, but he didn't yet put it in me.

With one eye on me and the other on the screen, he began kissing me passionately, sucking at my tongue. His fingers found my nipples and began pinching them until they stood out an inch from my breasts. Manuel began fumbling with my blouse, then became frustrated and ripped it off.

He began to suck hungrily at my nipples. Then—sensing what I was thinking—he knelt between my legs. He breathed deeply of my woman-musk, and then drove his face into my pubic mound. I loved that he paid close attention to my clit by giving it little love bites. Meanwhile, he worked his index finger into my sopping hole, looking for my G-Spot.

My legs were wrapped around him, while one hand was braced against the stage, supporting me, as the other was rubbing my horny nipples. The moans coming from deep within me competed the intensity with the moans coming from the players on the screen. Suddenly, I knew I was over the edge. My hips began to convulse as waves of pleasure flowed over my body, emanating from my pussy.

It was time for a hard cock to be in me, and Manuel was nearby and ready. I lied down on the stage, and Manuel—kicking his jeans off—jumped up there with me. I was on my back, legs spread wide, lost in a haze of lust—as Manuel got on his knees—cock in hand—between my legs.

"Fuck me!" I screamed in unison with the lovely redhead about to get fucked on the screen. Her lover—and mine—slammed their cocks home at the same instant.

I could feel Manuel's balls swinging against my ass as he slammed his rock-hard meat into my pussy. Soon, I could feel his cock head swell within me, signaling an orgasm. Meanwhile, on screen, the hot stud

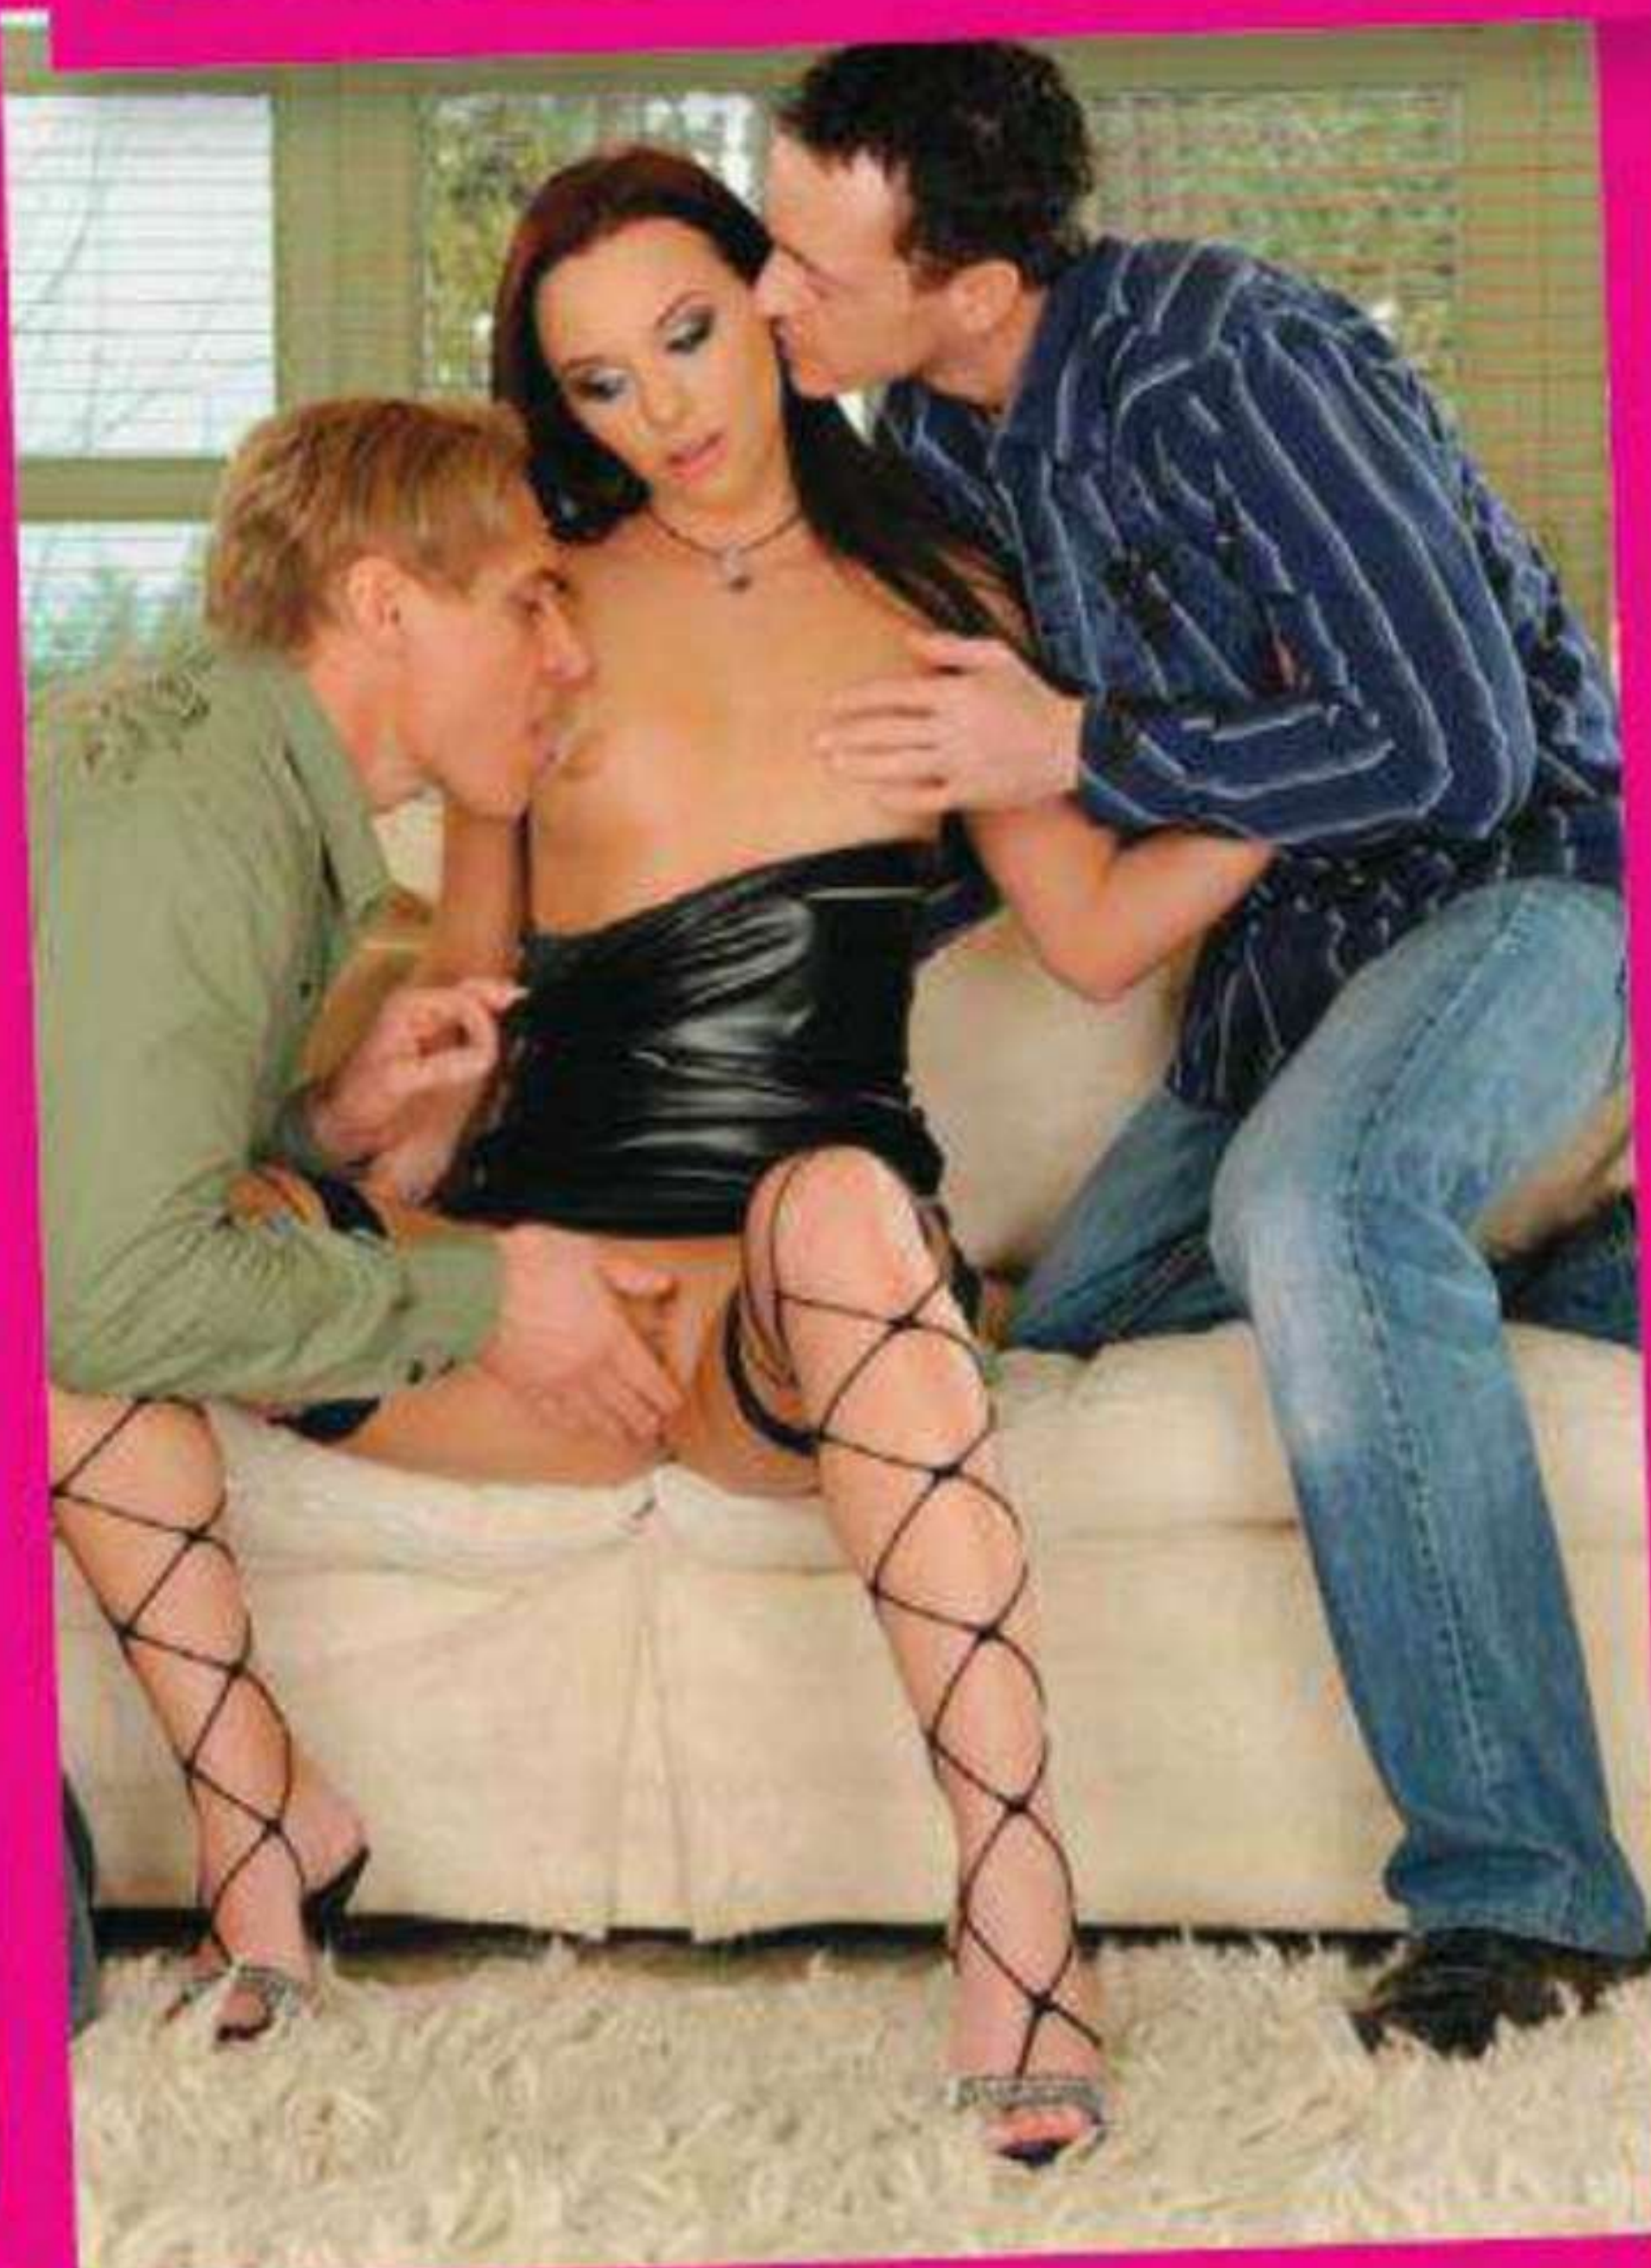

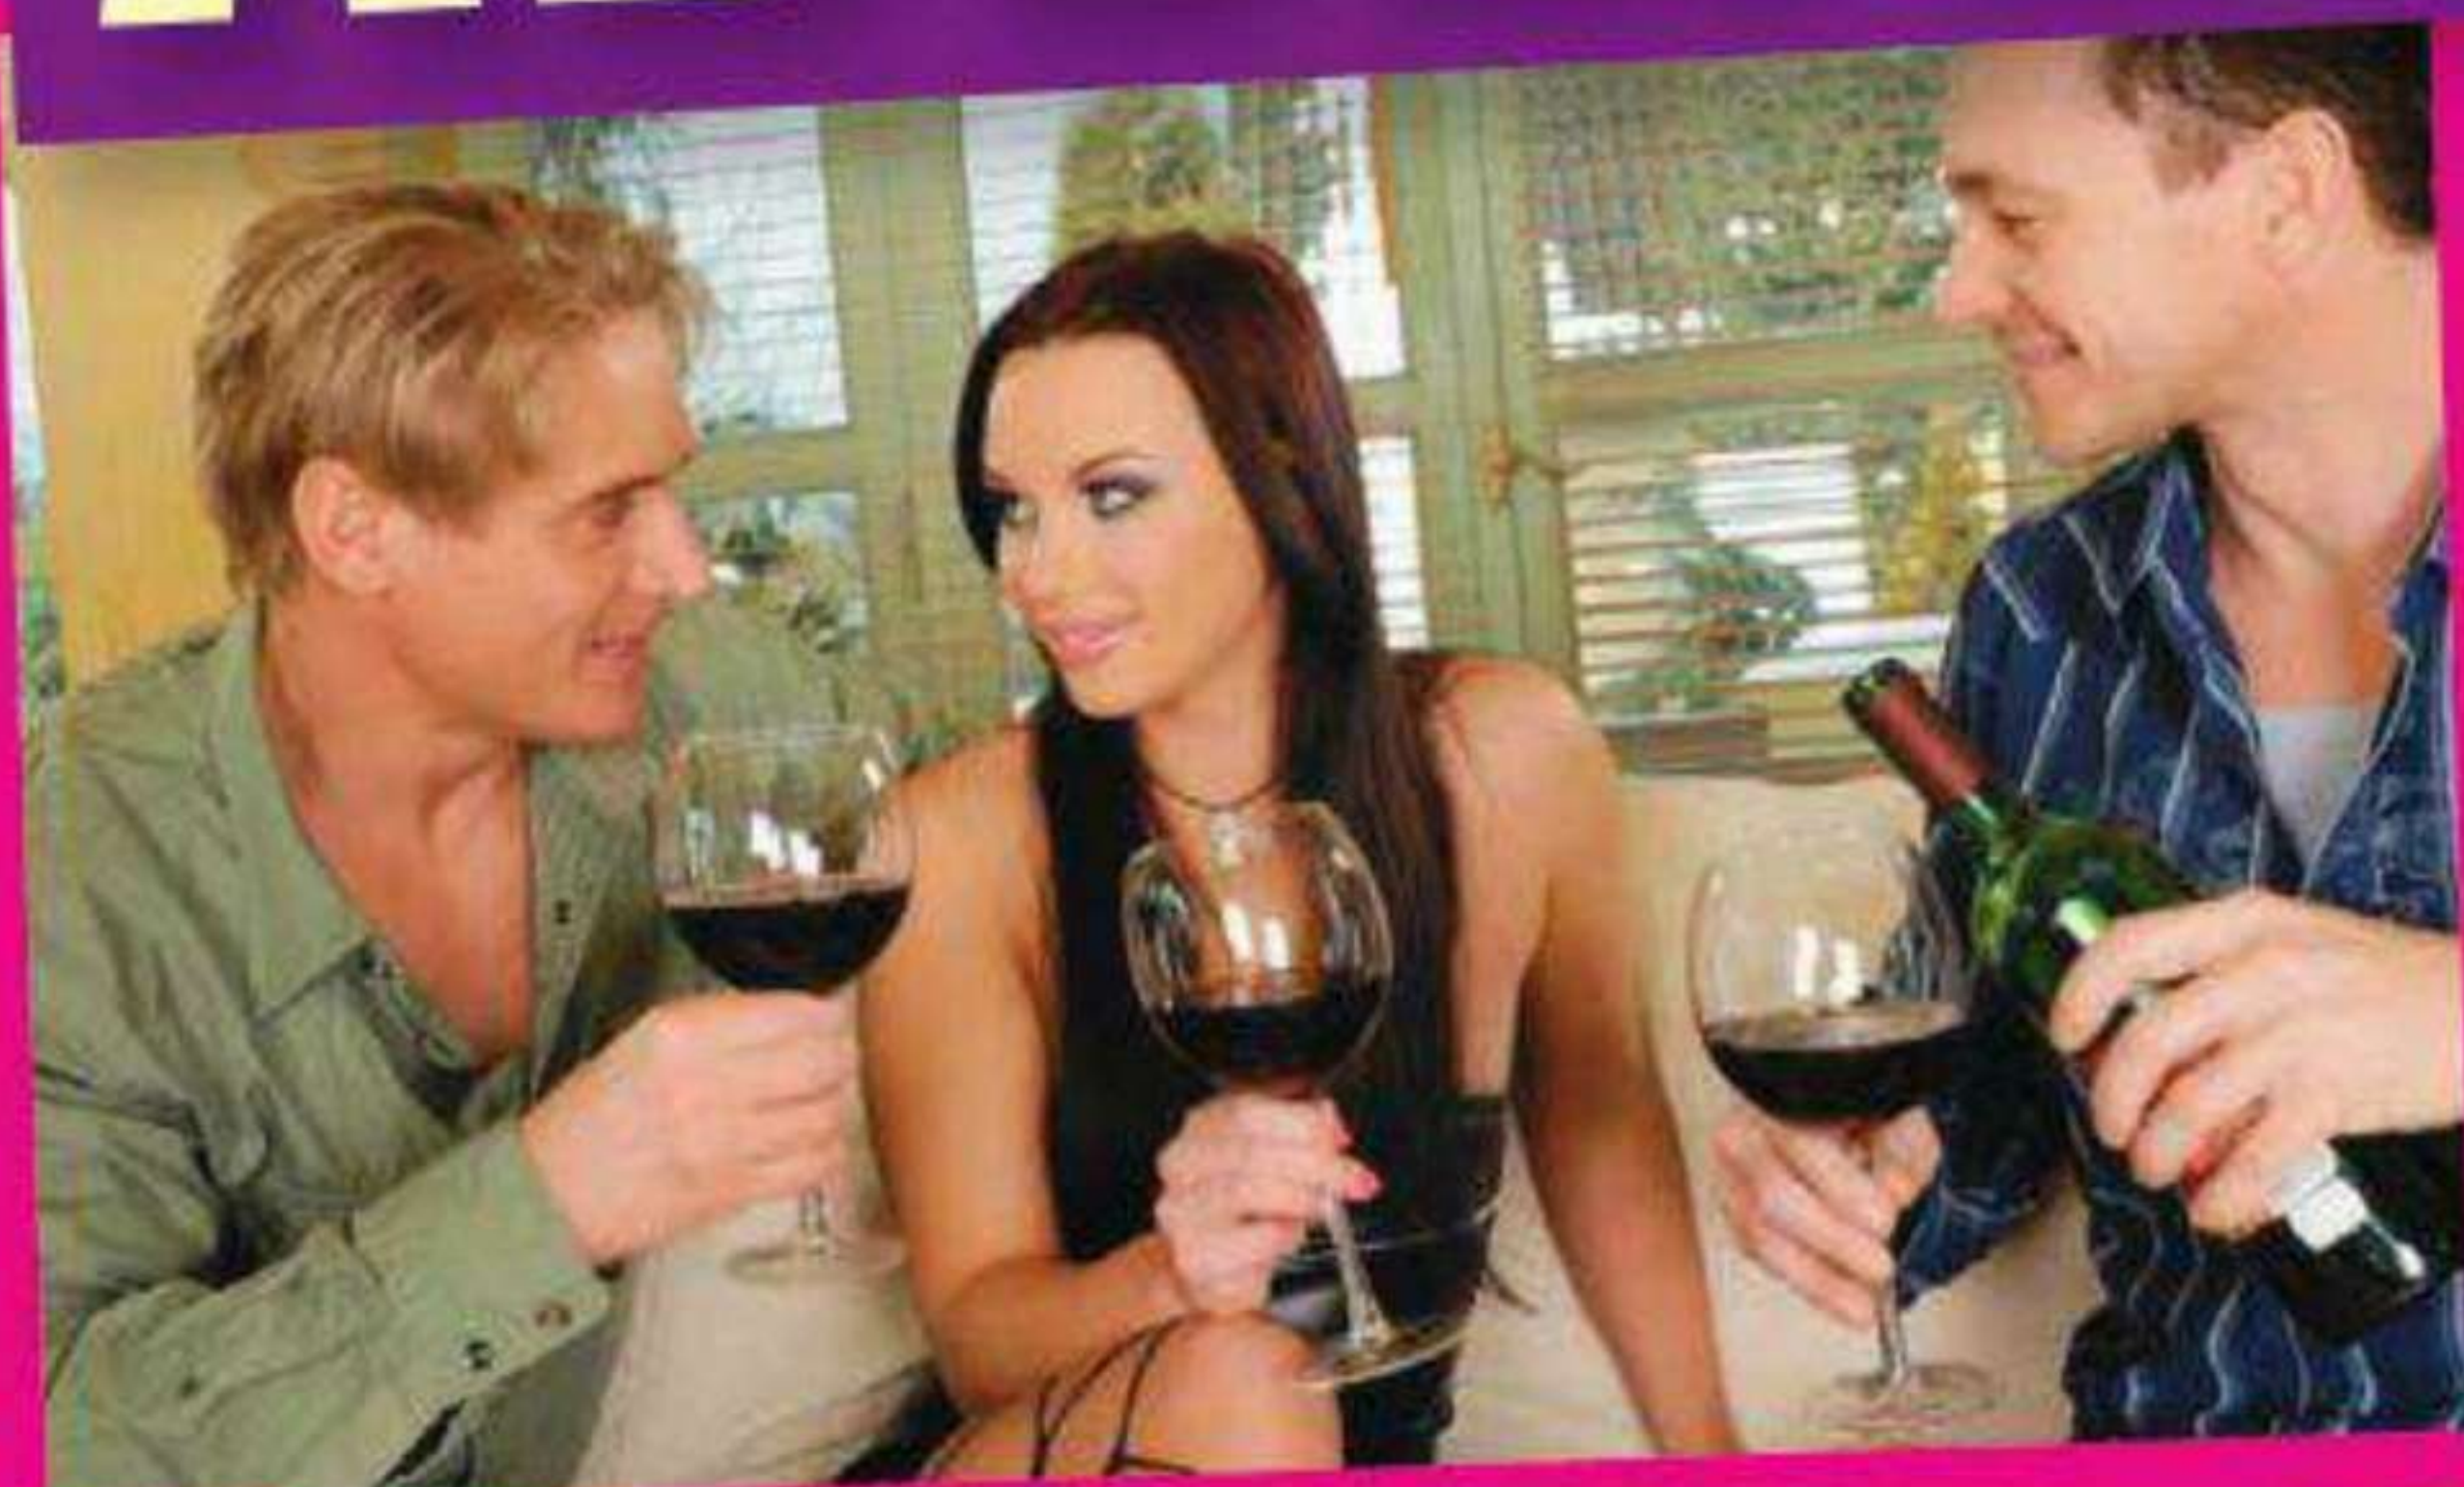

27963

The action on the screen was heating up, and I knew the stud was about to shoot his load in the girl's mouth, but I didn't want Manuel to cum yet. I would need his hard cock in me before the night was through. "Actually," I thought. "Maybe more than once."

The theater was one of the older ones, and it had a stage up front. I went and sat on the edge of it, below the screen. I pulled my skirt up around my hips, spread my legs

THREEWAY ADULTERY

HUBBY COULD

HER, BUT HE
WAS TOO DENSE
TO RECOGNIZE
HER NEEDS!

Alysa was married to a wealthy older man, and was always pestering him to take time off to hang out with her, but he was a workaholic, and had finally told her to find an interest that would occupy her time when he was at the office, or traveling to make deals. ►

**FOR SOME WOMEN,
COCKS GO BETTER
WITH DILDOS!**

Well, Alysa had been a journalist before she married, so she decided to give private tutoring to people interested in getting published in magazines. She met with her students either one-on-one or in pairs—in the comfort of the estate she shared with her neglectful hubby.

The problem was, Alysa really didn't want a job to take her mind off things. She wanted sex! The hard-driving, deep-pumping kind that her mogul spouse was unwisely *not* providing her. So, eventually, Alysa dropped the pretense of being a private journalism tutor, told her students that she wasn't giving any more classes, but was interested in fucking them instead.

Frank, and his pal Tommy, were more than willing to go along with Alysa's true interests, and they only signed up for her course because they thought she was hot and hoped that adult education would turn into something like adult video, which it did.

Once unleashed from denial about her true needs, Alysa became a wild one. It happened one incredible afternoon when she wasn't satisfied by Frank and Tommy's tools alone. She needed more, and that's when she showed them her amazing collection of vibrators and dildos. Alysa surprised even herself, as she devoured not only their fleshy pricks, but crammed a trio of vibrators into her asshole! This was what her hubby was missing by focusing on business alone: The exploding lustfulness of his frustrated wife!

Even Frank and Tommy were shocked, but that didn't stop them from raining their cream on Alysa's ass as she went berserk and cried, "More cock! Harder! Deeper! Real or plastic, I don't care!" Neither gent had shared asshole space with a rubber dildo before, but Alysa in her wildness, showed them the raunchy way! ♦

MILE HIGH MEDIA UNVEILS 'SWEET SINEMA'

Mile High Media is proud to announce the addition of a new adult studio to its growing ranks—Sweet Sinema. Led by producer/director, Nica Noelle—Sweet Sinema is an alternate to the plethora of parodies flooding the market. While Sweet Sinema movies will be inspired by Hollywood's most famous classics, they will be unique interpretations. The captivating features will go further than any R-rated film is allowed. Each movie will couple complex stories and well developed characters with intense sexual performances. Much like its sister studios, Sweetheart Video and Sweet Sinner—Sweet Sinema is developed with couple in mind—providing real lovemaking and real orgasms. Mile Media Vice President, Jon Blitt says, "Nica Noelle has become one of the most prolific talents in adult entertainment. Her writing and directing skills continue to expand, and she helped make Sweetheart Video and Sweet Sinner two of the most popular adult studios, as awards from VOD site AEBN.net demonstrate. With the recent success surrounding Nica's adaptation of *The Graduate* [*My Girlfriend's Mother*], we saw an opportunity for a great new studio catering to the feature niche." Dylan Ryder in
Bonny & Clide

DYLAN RYDER SIGNS AS BLUEBIRD GIRL

Bluebird Films has signed starlet, Dylan Ryder to an exclusive contract. The statuesque beauty impressed the studio with her strong performances in major features including: *BatfXXX: Dark Night Porn Parody*, *Bonny & Clide*, *Inside Story* and *Cranked*. "Dylan is one of the hardest working girls in this industry," Bluebird owner/director/performer, Paul Chaplin said. "She's a stunning beauty and has proven to be an invaluable asset on every production, both erotically and with a playful and positive attitude that makes her a pleasure to work with." Ryder is equally thrilled with the agreement and the projects that the company has planned for her—most particularly casting her in the title role of its *Katwoman* feature this year. "I'm really happy to officially join the Bluebird family," Ryder said. "I love working for this company with all their hot talent, and am very proud to represent them. I'm super-excited to be the new Katwoman, and look forward to the challenges and opportunities ... and especially the sex!"

CHARLIE SHEEN LOVES X-PLAY

Charlie Sheen truly has a house of whores indeed, and his porn superstar goddess, Bree Olson, plays the Bionic Woman. Apparently, both Sheen and the 24-year old blonde have a fantastic sense of humor as details of their love affair emerge, while two parody DVDs from X-Play/Digital Sin fly off store shelves nationwide.

The constant barrage of media interviews being conducted with Sheen is great news for adult movie director, Will Ryder, whom directed the breakout hit, *Not Charlie Sheen's House of Whores XXX*—and the adventurous top-selling porn parody, *Not Bionic Woman & the Six Million Dollar Man XXX*. Olson stars in both movies along with a host of other gorgeous porn girls that Charlie loved, making the "Two and a Half Men" actor glow like a proud papa. Both DVDs are enjoying heavy retail sales due to the unprecedented media attention being showered on Sheen.

"Bree is a goddess, and I completely understand why Charlie Sheen has a thing for her," Ryder said. "She is absolutely sensational in both movies and does a wonderful job with a full array of bionic powers located in her mouth and in her vagina that always please her man."

The 2010 AVN "Director of The Year" couldn't be happier that his movies have been released by Digital Sin/New Sensations at the height of

"Sheenomania," and fans can enjoy Charlie's actual call girls. "You can't make this stuff up," reflected Ryder. "Whenever I turn on the tv, there's Charlie with Bree in the background, or Kacey Jordan giving another interview regarding her affair with him. This is pure gold, and the guy has a great sense of humor. I love him."

CAPRI ANDERSON SIGNS ON AS NEWEST VIVID GIRL

28287

Capri Anderson—yet another porn star linked to Charlie Sheen—has signed on as the latest Vivid Girl. "Capri is exceptional in so many ways, and we think she can fully develop her potential as a Vivid Girl," said Steven Hirsch—founder/co-chairman of Vivid Entertainment. "Actually, we had cut back on our contract actresses program recently, but Capri is so exciting that we decided to reopen it just for her."

While a college student in Miami, Capri made a sex tape with her boyfriend and sold it to a website to make money. "We thought that a few people in our neighborhood might wind up seeing that tape, but it turned out it was most of Dade County. I totally blew my cover," says Capri, "But it was my introduction to adult entertain-

ment and I can honestly say that it changed my perception of myself. It's helped me become a woman and given me newfound confidence. Becoming a Vivid Girl is a very exciting giant step for me. It means I'll be surrounded by top professionals who will bring out the best in me." She shot her first film as a Vivid contract girl in March titled, *Little Black Book*.

DIGITAL PLAYGROUND BECOMES FULLY AIRPLAY COMPATIBLE

Digital Playground is proud to announce that it is now the first adult entertainment company to fully support AppleTV's AirPlay Enhancement in iOS4.3. AirPlay is wireless technology that allows users to stream content from their iPhone, iPod or iPad to their AppleTV and onto their TV screens.

"We want to create the best content, and have it available in every way possible," said Joone, Digital Playground's founder. "We're excited that we can offer so many choices that allow our consumers to view their adult entertainment any way they want."

Take for example, the trailer from Digital Playground's new movie, *Top Guns* can be streamed to iPhones, iPod or iPads. Using AppleTV's, AirPlay technology, the trailer can then immediately be streamed onto their television screen.

28849

Digital Playground CEO, Samantha Lewis, says the same technology applies to new releases on VOD, trailers, and the company's membership sites.

"Someone can buy one of our movies and instead of just watching it on their iPhone, iPad or laptop, they can now enjoy it from the comfort of their couch," Lewis said. "Even our live video chats with our contract stars can be streamed live onto the tv screen!"

Founder, Joone, continued, "The forward-thinking approach that our company has toward technology allows us to stay ahead of the curve so that when enhancements like this come along, we're already in a position to implement them."

ALEXIS FORD TAKES OVER! HOST OF 'VIDEO WORLD TV'

Adam & Eve contract star, Alexis Ford has signed on to be the new host of "Video World TV." The blonde sex queen began her run as the host of the XXX webcast that features adult industry news, hardcore movie trailers, and porn star interviews in the April 2011 broadcast of the show.

"I am thrilled to be coming on board to host 'Video World TV,'" Ford told us. "Working on the show is a lot of fun, and I'm always looking for an opportunity to expand my career."

Alexis—as well as the producers of the webcast—agree that hiring the award-winning porn star to host the show will offer viewers a chance to see the adult industry from an "insider's" point of view, which will add to the appeal of the Internet's leading jizz biz program.

"Adam & Eve is proud of Alexis for taking on this very exciting opportunity," said Katy Zvolerin, Director of Public Relations for Adam & Eve. "She is smart, sexy and articulate, and I feel she'll so a great job as host of 'Video World TV!'"

"Video World TV" was launched in February of 2011 by *Video World Magazine*—the first adult movie magazine that features reviews and XXX photos of porn releases, as well as the opportunity to see trailers of the hardcore titles for free. Readers are invited to log in with a code provided at the end of each review in the magazine to see a clip featuring the hottest suck/fuck action the industry has to offer.

GENETIC COCKSUCKER

Is finely tuned dick
slurping in her DNA?

Doctor Linda DeCrumpski PhD is very talented when it comes to cocksucking. As a scientist, she's wondered if it's genetic, but that's not a question easily explored, if you know what we mean. It's not like trying to research a family tendency to have big feet or large tits. Until she finds hard evidence, Linda assumes that her capacity to satisfy meat so lustily is something that comes from her DNA—almost the way other females inherit the ability to wiggle their ears.

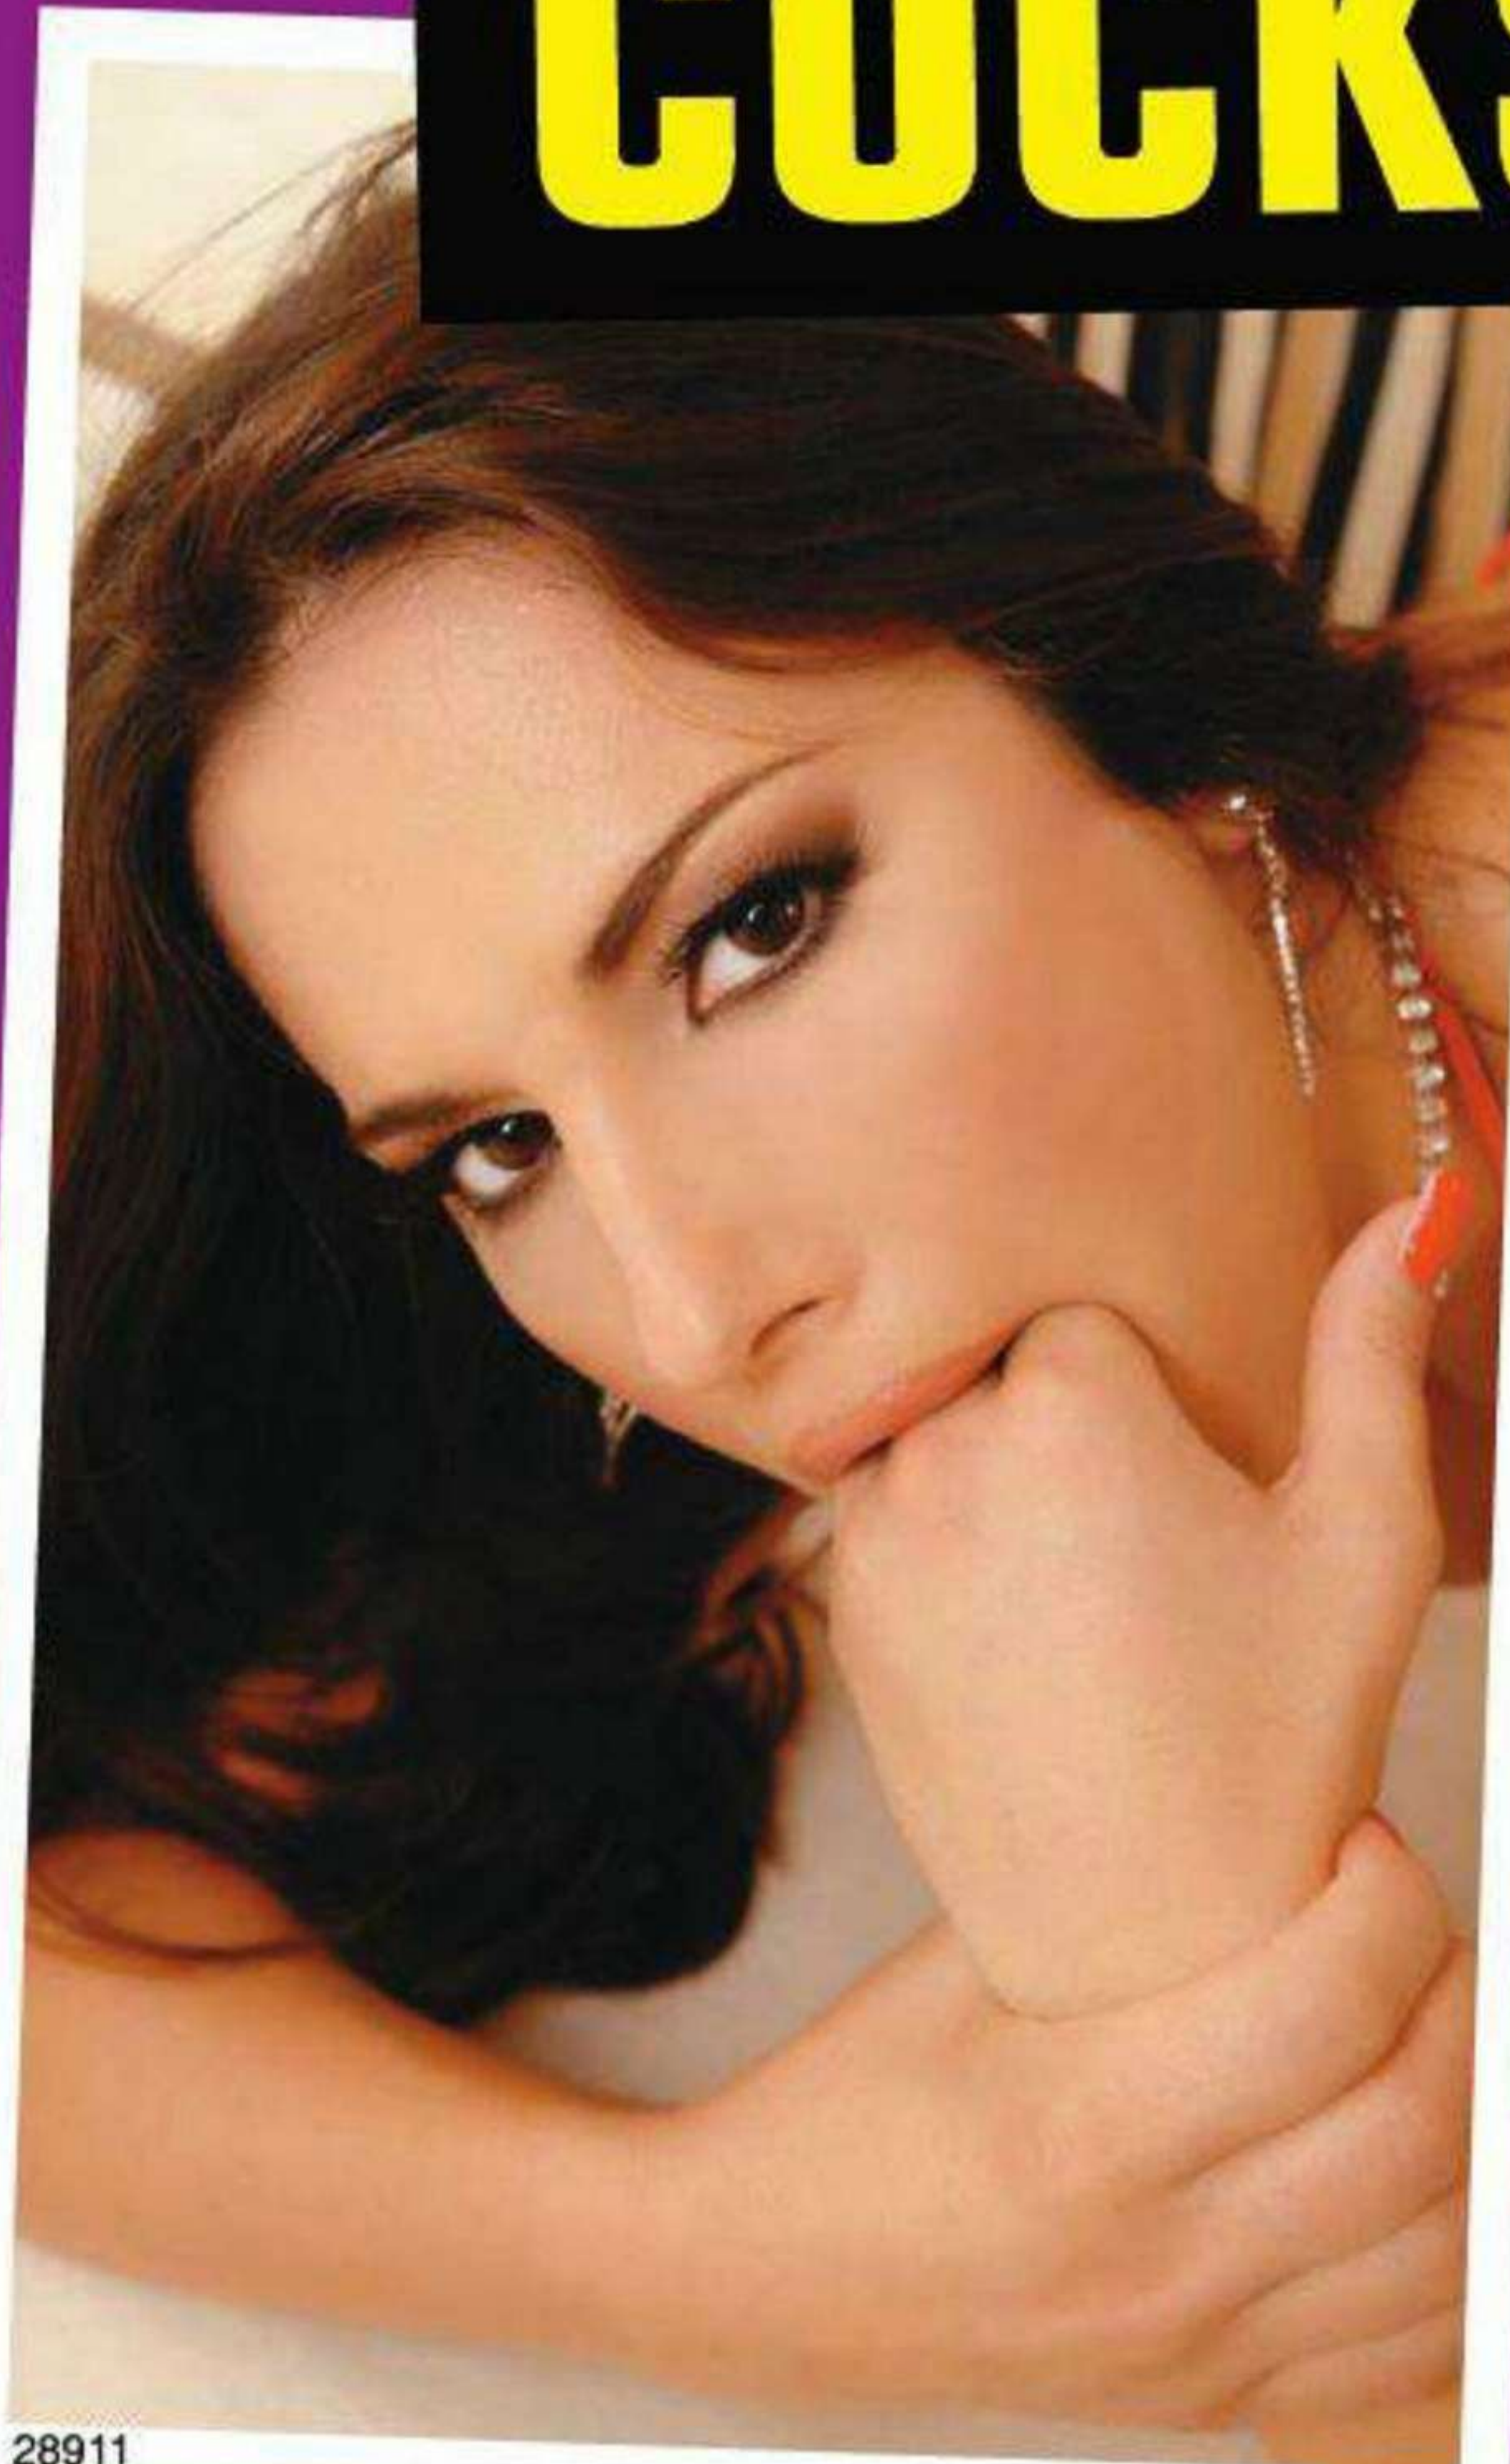

After all, how many females can open their lips so wide that they can take in almost half a hand? You have to be born with a garage for a mouth—it can't be learned.

Of course, the two blokes who were filling Linda's maw that afternoon really could care less about her private theories. She'd met them at a happy hour near her laboratory. While they were still in the bar—after a few Buffalo wings and margaritas—she'd run her fingers over their slacks to get an idea of their endowments, and was pleasantly delighted with the prospective menu. A short time later, they were all on their way to her crib.

Linda has no personal beef with smaller shafts, but feels her genetic requirement is of the larger meat. She loves to take control of such dicks while the guys let her do all the work. The feeling of sluttiness is also an important component of her oral experience. Laying on her stomach on a bed while holding onto her heels, she takes in the tools with no hands—working them to a frenzied state just with the skill of lips and tongue—more proof of her innate talent.

As she often does, Linda wondered as the sperm showered down upon her mouth, face, and tits—whether having encounters like this solidifies cocksucking as a genetic trait that will be passed down to her descendants.

Of course, scientific questions are temporarily put to rest in her mind once she's covered in jizz. After all, even a genetic cocksucker has her own orgasms to attend to! ♦

DOUBLE VISION

STARRING: Andy San Dimas, Bobbi Starr, Tanya James, Alanah Rae, Heather Starlet, Charlie Lynn, Marie McCray, Ashlyn Rae, Faye Reagan, Dani Jensen, Erik Everhard

DIRECTED BY: Erik Everhard

AVAILABLE FROM: Erik Everhard Entertainment

Realizing our desire for double dipping, director/performer, Erik Everhard, has gathered up sexy pairs of pretty pussies and unleashed them on his cock in the third installment to his popular series. Spread across five heated scenes, he packs 'em, stacks 'em, and stuffs 'em full—proving that two twats are always better than one!

Although each pairing is literal perfec-

tion, the combination of Andy San Dimas and Bobbi Starr seems to take the cake. Perfectly fuckable, each girl has their turn with Erik—and each other. Their scene ends in a splashing of cum and a sore bum for Bobbi Starr. It's incredible!

Fiery redheads, Faye Reagan and Dani Jensen, look like Barbie dolls in the following scene when they strip for Erik. After each grinds and groans, he stacks them up like flapjacks, pouring his salty butter over both sets of sticky buns.

Afterwards, Tanya James and Alanah Rae—two statuesque goddesses—are cut down to size when Erik makes them pant and pour in plenty of positions.

Always there to lend a helping tongue, the

flexibility of Heather Starlet and Charlie Lynn is put to the test when Erik spreads them open like a wishbone to lick their juicy centers.

Finally, Erik shows Marie McCray and Ashlyn Rae whose boss by flipping them around and stuffing their teen tarts full of tool. Hot!

EXTRAS: Included, is nearly twenty minutes of behind the scenes coverage that includes the girls playing with each other. Especially hot, is watching Faye have her way with Dani's bubble butt—revealing her secret love affair with it and watching Erik make Alanah cum with his tongue. You'll also want to save room for the hardcore images and the "Cum Fiesta." It's saucy!

INTERNAL DAMNATION 4

STARRING: Julia Ann, Rebeca Linares, Phoenix Marie, Bridgette B, Gigi Rivera, Mark Ashley, Erik Everhard, Mr. Pete, John Strong, Mark Wood

DIRECTED BY: Chris Streams

AVAILABLE FROM: Jules Jordan Video

After long awaited anticipation, the fourth installment to this all-internal series has finally landed! Packed with four of porn's top hussies and a gorgeous rising star, director, Chris Streams's, lineup was clearly worth the wait. The result is a firestorm of aggressive sex that leaves the men sweaty and the women stuffed like Bavarian cream puffs.

Always a pleasure to watch perform,

Phoenix Marie works double duty by giving up her pussy and her booty to John Strong and Mark Wood. Working both cocks in every conceivable arrangement, Phoenix doesn't stop grinding until both holes drip with cum!

Another raging ass whore—Rebeca Linares—is also quick on the trigger when wrapping fuzzy handcuffs around Mark Ashley's anchor before stuffing it up her anus. Bouncing in place like a jack-in-the-box, Rebeca's newly enhanced rack is on full display when jiggling in reverse cowgirl.

When finished there, Bridgette B takes a ride on Erik Everhard's baloney pony. Treating him to the best oral play, Bridgette's reward is a kitty dripping with warm milk. Purr!

Gigi Rivera—the new kid on the block—

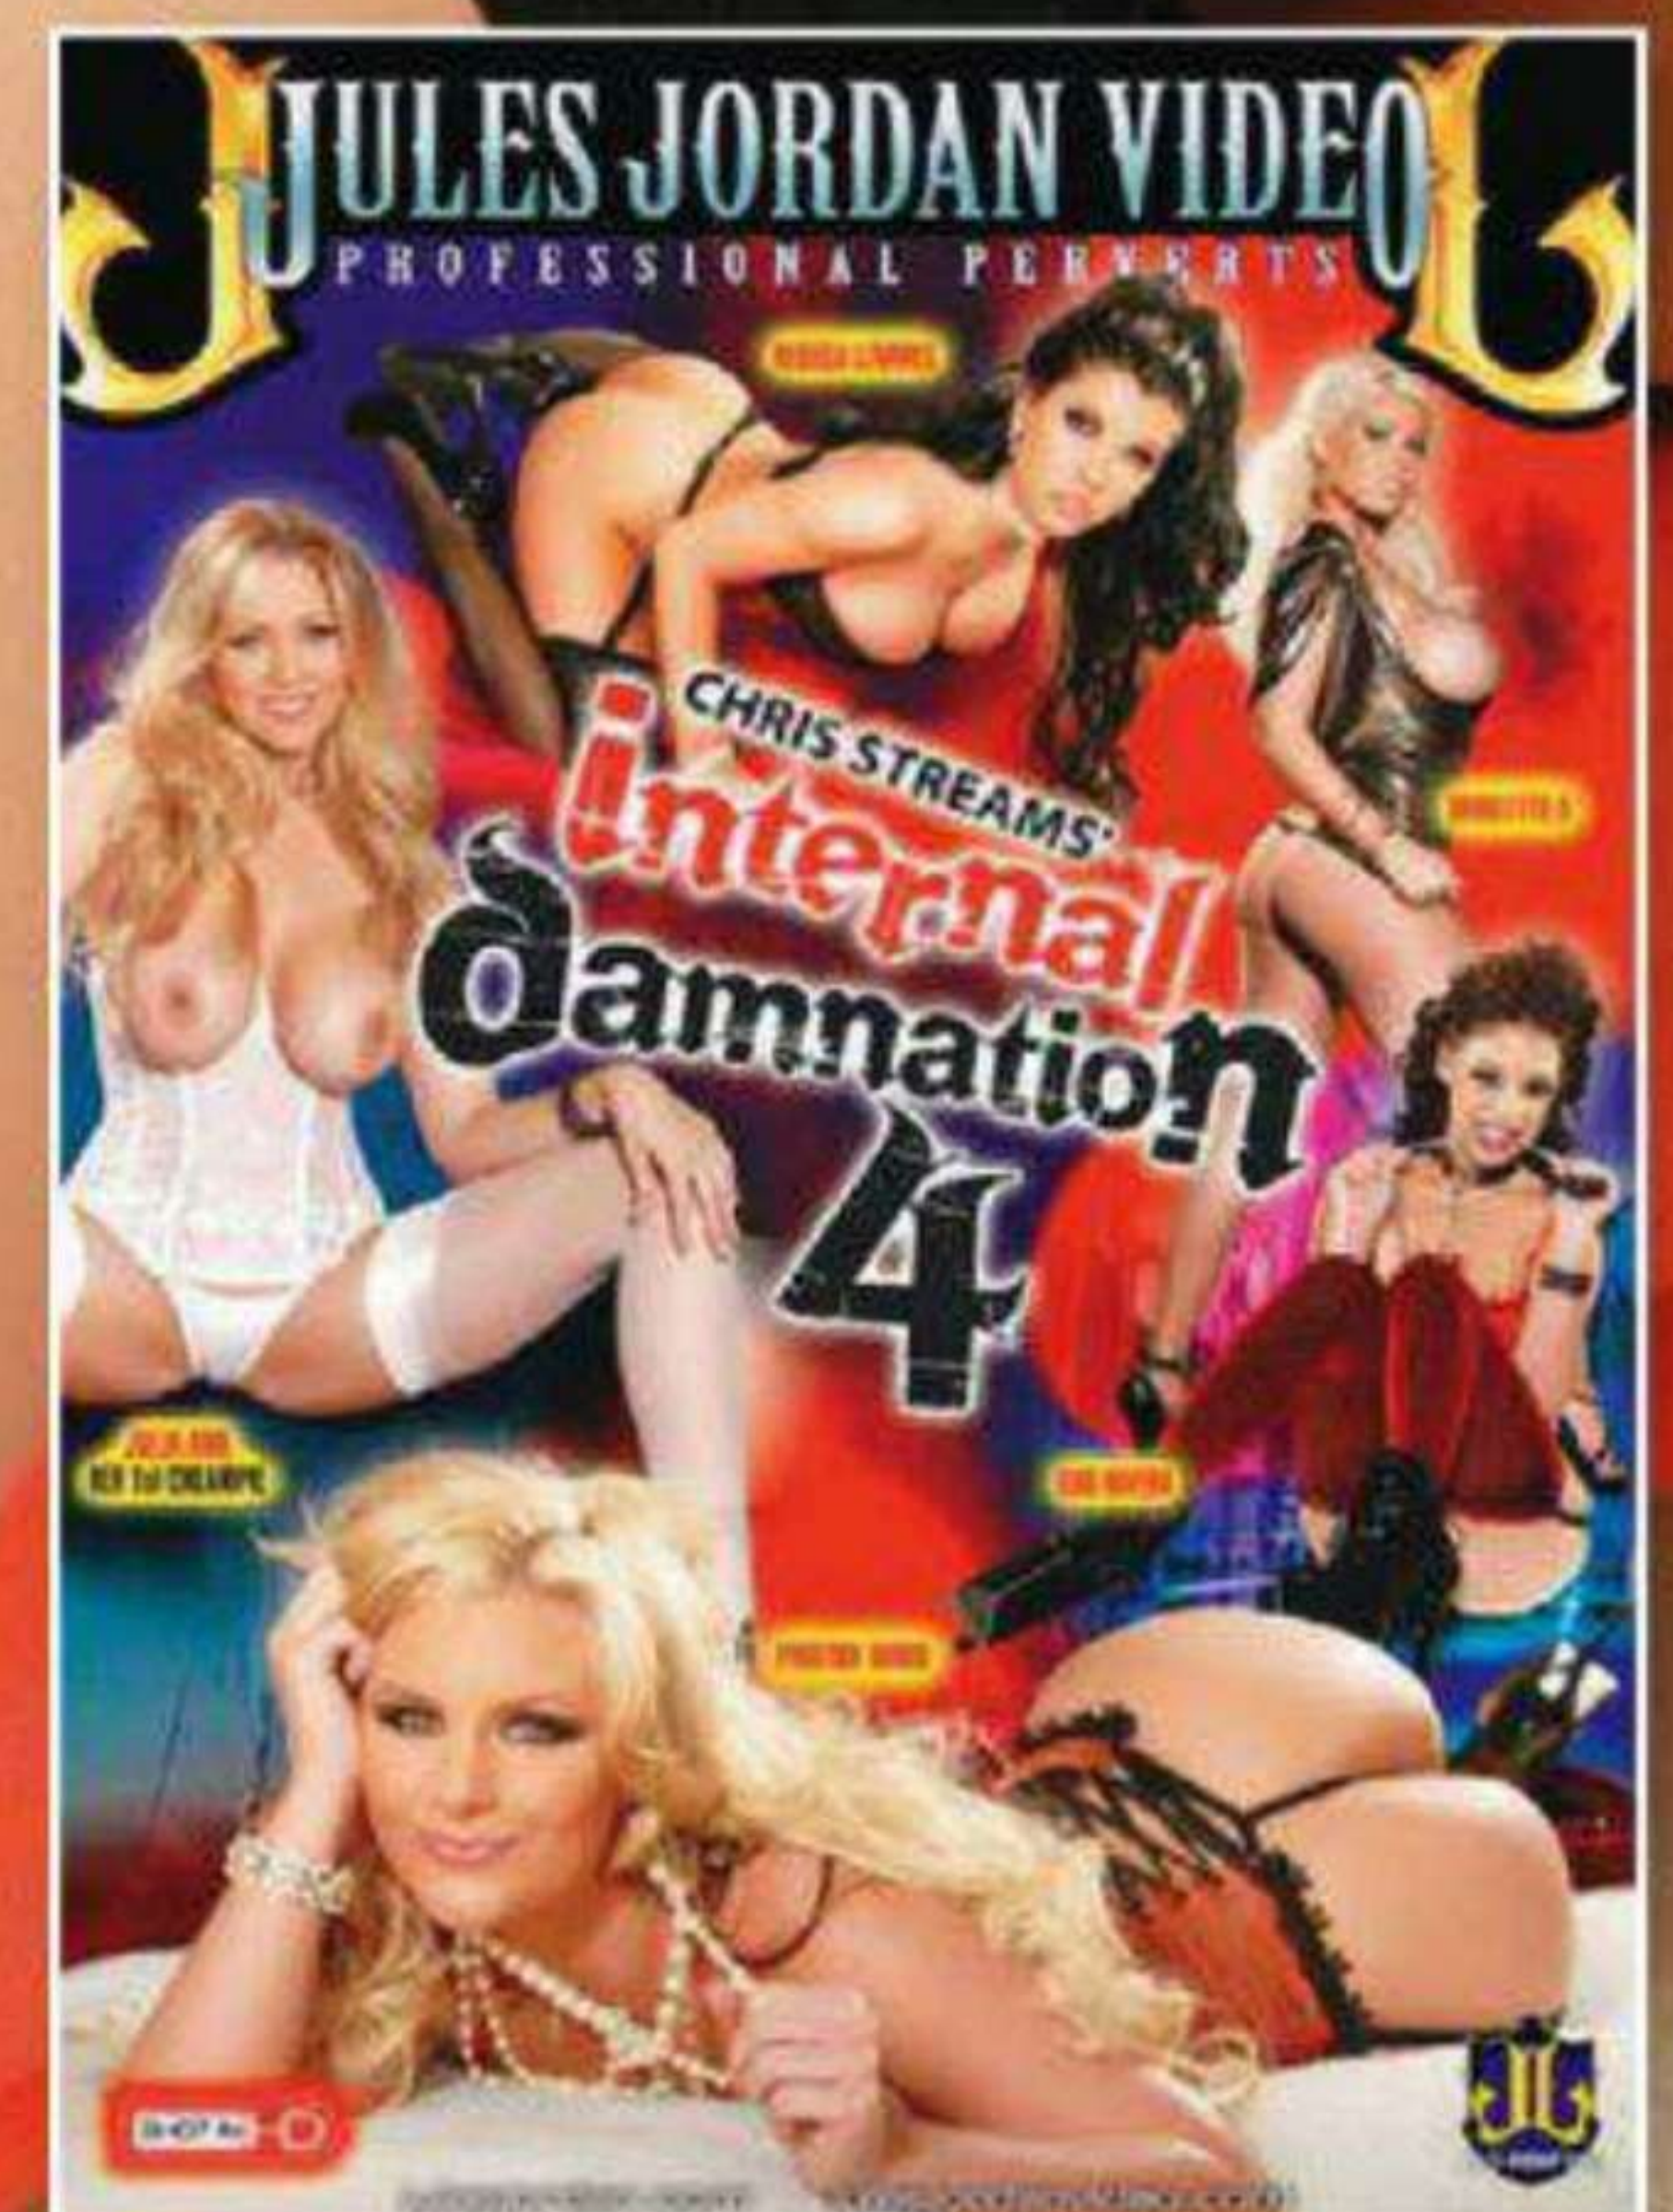

later has her clock cleaned and polished by Mr. Pete. In the end, MILF superstar, Julia Ann—in what is her first ever creampie performance—proves that like fine wine, she only gets better with age.

★★★★

EXTRAS: Overflowing with juicy extras, the party continues with forty-five minutes of exciting behind the scenes coverage that includes interviews with the girls and a talk with them after their sex scenes. Julia Ann's interaction with the camera really shines here, as does Rebeca Linares's candid revelation about her new tits. Also sexy, is the bank of hot images and the steamy cum shot recap option that reveals the goo a second time around.

PRIVATE LESSONS

STARRING: jessica drake, Marie Luv, Andy San Dimas, Brooke Banner, Devon Lee, Rocco Reed, Marcus London, Barrett Blade, Johnny Castle

DIRECTED BY: Marcus London

AVAILABLE FROM: Wicked Pictures

Jessica drake is the beautiful new neighbor who's just moved in next door. Immediately smitten, Rocco Reed becomes enthralled in her sexual escapades in director, Marcus London's, sexy tale of love and lust.

jessica drake begins the first scene by the mover, Barrett Blade. From the start, Barrett and jessica seem genuinely into one another. Bouncing through several positions, including her personal best—doggie—jessi-

ca really shows that her star power still shines brightly!

When the blonde lead learns that Rocco has been spying, she offers him Private Lessons. Before she gets started, she gets to work between Marie Luv's lean legs. Licking her black clit like a melting ice cream cone, jessica's apparent love for hot chocolate is as hot as her perfect porn star body.

As Rocco's lesson continues, he's brought to a room where Andy San Dimas and Brooke Banner are ravaging each other with playful kisses. Marcus London—whom fucks them silly by plopping his fingers and cock in their available holes, later joins the duo.

Meanwhile, Rocco's mother—played by Devon Lee—is back at their house getting busy with Johnny Castle. Getting his fill of

MILF, Johnny doesn't stop until the kinky cougar purrs.

In the end, Rocco finally has a go with jessica. Demonstrating excellent energy and plenty of pizzazz, the two end up delivering the most memorable scene of the production.

★★★★

EXTRAS: The bonus sex scene starring jessica drake is a phenomenal addition to the lineup, adding up to four Jessica Drake scenes in one production! The array of beautiful images is another wonderful extra, as Wicked Pictures seems to have the cornerstone on premiere photography. Also strong are the hardcore trailers for future attractions that promise to blow your whistle.

A LITTLE PART OF ME

29015

STARRING: Bobbi Starr, Allie Haze, Kimberly Kane, Allie Haze, Danny Mountain, Michael Vegas, Rocco Reed, Mark Davis

DIRECTED BY: James Avalon

AVAILABLE FROM: New Sensations Romance

After Bobbi Starr's husband dies, she and her group of best friends decide to locate the recipients of her late husband's organs as a way to ensure his mortality and her healing. This is the esoteric story created by director, James Avalon, in a movie that is perfectly suited for couples wanting to enjoy a romantic night in.

Danny Mountain—the recipient of his eyes—falls for Kimberly Kane the moment he sees her. Losing themselves in erotic pas-

sion, Danny worships Kimberly's curves and makes love to her in a way that is tender, romantic and reminiscent of the way real couples fuck behind closed doors.

Later, she locates Michael Vegas—the new owner of her husband's lungs. After meeting him, she decides he'd be a perfect match for her friend Zoe Voss. Once they meet, fireworks ignite as the two make love across a living room rug. With organic chemistry and bodies that fit together like a glove, these two really capture the intimacy of first time fuckers.

From here, Bobbi locates Rocco Reed and sets him up with Allie Haze for another session of hardcore sex that is just as hot as the scenes that came before. In the

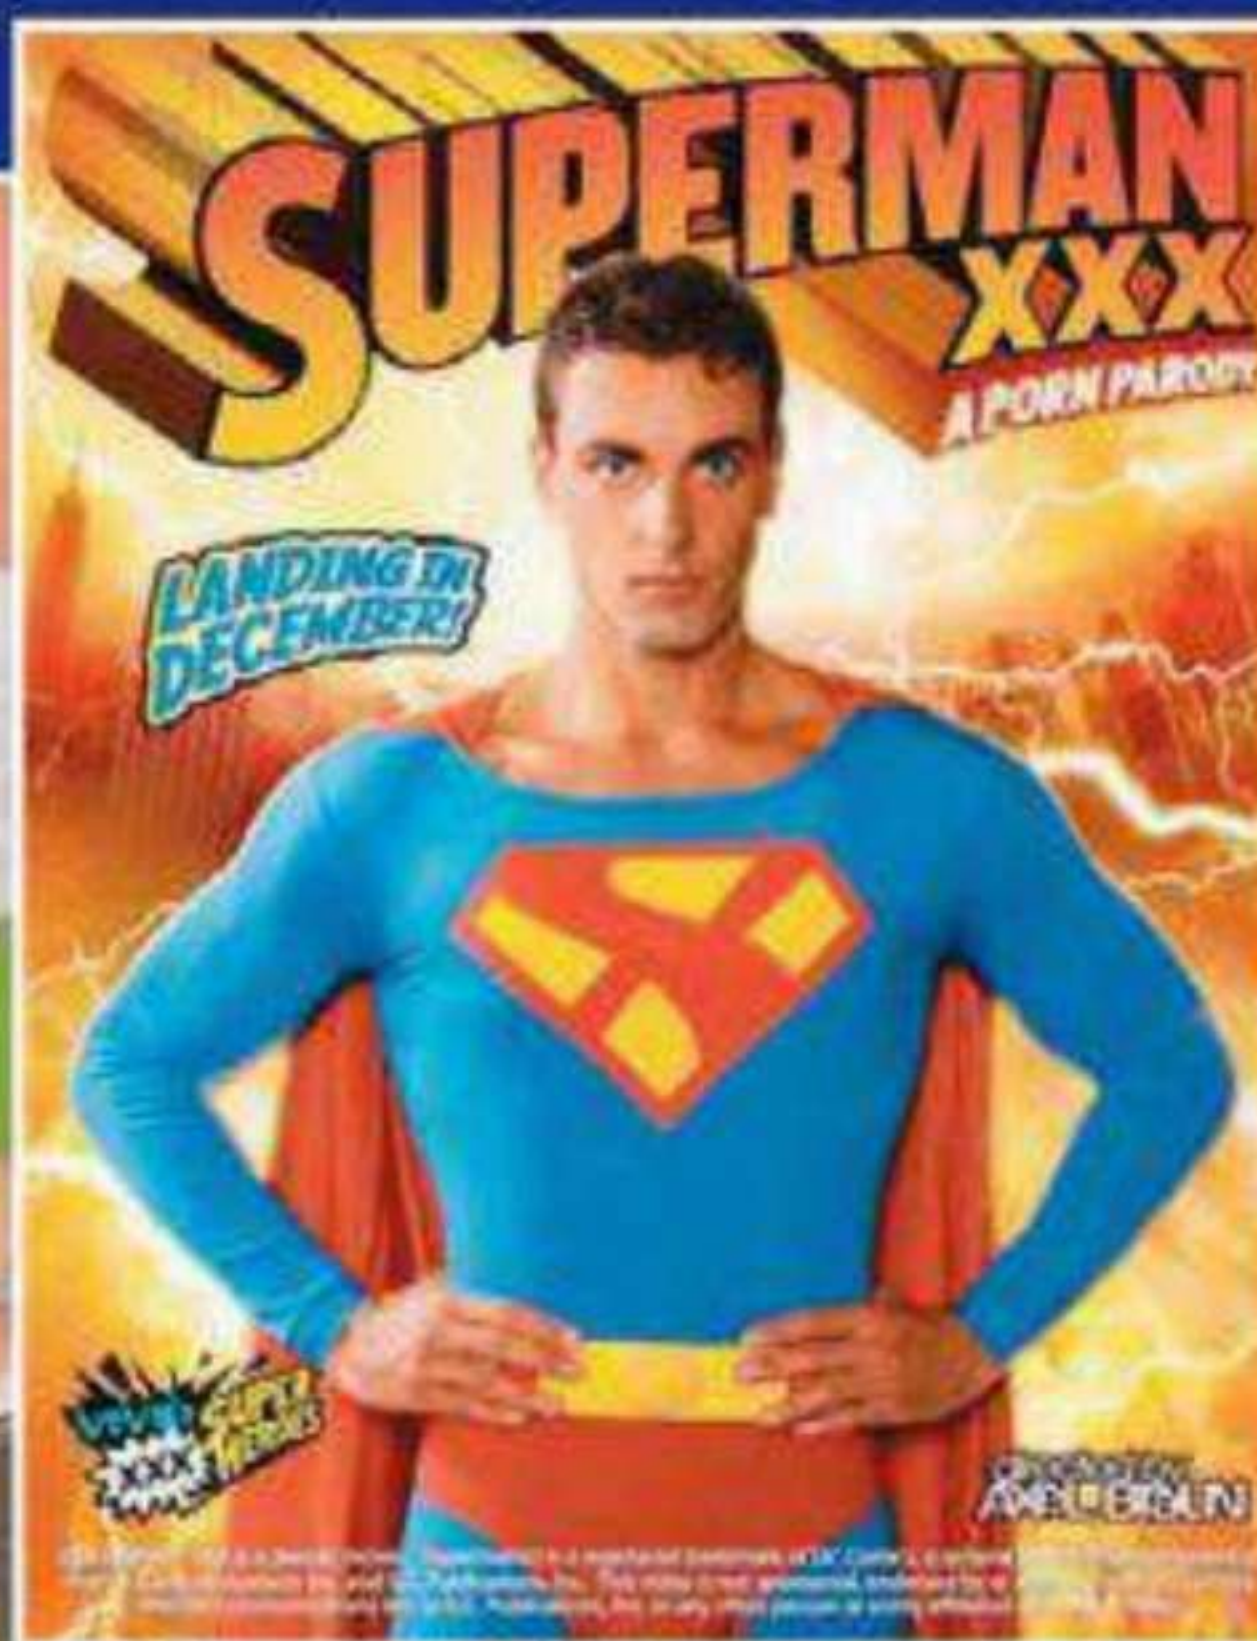

end, Bobbi finally succumbs to new love by giving herself to Mark Davis, in what becomes the hottest sex scene featured in the production.

★★★★

EXTRAS: Almost as exciting as the featured presentation, the extras pack a powerful punch. Included, are some behind the scenes footage of the stars in action, a solid photo gallery spread, a drop down menu enabling you to choose your favorite positions, and trailers for more erotic treats. From start to finish, this movie has what it takes to get the ball rolling in the bedroom and may serve as a great introduction to couple's introducing porn into their sex lives for the first time.

SUPERMAN XXX: A PORN PARODY

STARRING: Andy San Dimas, Kristina Rose, Alexis Texas, Zoe Voss, Lexi Belle, Ryan Driller, Eric Masterson, Ben English, James Deen, Dick Chibbles, Alec Knight, Will Ryder, Evan Stone, Dale DaBone

DIRECTED BY: Axel Braun

AVAILABLE FROM Vivid Superheroes

Ace director, Axel Braun, delivers an intergalactic thriller that hardcore comic book fans will certainly appreciate. With an exciting script—and even hotter displays of hardcore sex—Braun tackles the Christopher Reeve/Richard Donner version of this beloved DC Comics franchise, making sure to maintain the visual and intellectual integrity of the original blockbuster. The result is a mindblowing sexual master-

piece that will be an instant porn classic!

Lexi Belle detonates in the opening scene by treating Evan Stone and Alec Knight to a little TLC when their plane experiences a bit of turbulence. Before sudden doom, Superman (Ryan Driller) saves the day, but not before the men finish the job they've started.

Next, Luthor (Eric Masterson) launches a missal attack on Earth. Fearing death, Kristina Rose decides to go down in a blaze of glory by allowing James Deen to fuck her hard up the ass in the janitor's closet. We love her logic!

When Lex's plan gets foiled, he seeks refuge in the arms of Alexis Texas. Giving up another incredible scene, Alexis really works her muff magic when hurling down in reverse cowgirl.

Later still, Lois Lane (Andy San Dimas)

shines in a double blowjob session when the super villains land on Earth. Serving as a mere warm-up to the big show, Lois saves the best for last by giving her all to the man of steel!

★★★★★

EXTRAS: The extensive look behind the scenes gives the viewer an accurate portrayal of life on set and the grueling work that goes into a production of this magnitude. The actors also reveal candid information about themselves through entertaining interview sessions. Also strong, are the hardcore images, the special effects coverage, and the hardcore trailers for more parody projects. It's a bird! It's a plane! It's Superman XXX!

REAL WIFE STORIES 9

29016

STARRING: Alexis Texas, Audrey Bitoni, Rachel Starr, Jenna Haze, Kortney Kane, Phoenix Marie, Mason Moore, Ariella Ferrera, Johnny Sins, Keiran Lee, Charles Dera, Jordan Ash

DIRECTED BY: N/A

AVAILABLE FROM: Brazzers

The creators at Brazzers really know what it takes to produce solid pornography. Chock full of industry legends, the ninth edition to this popular franchise might be one of their hottest releases to date. Through entertaining storylines and explosive sex, each scene is worthy of praise and porn star recognition, ultimately reminding

us as why these starlets remain on top.

Easily burning the brightest, Alexis Texas and Audrey Bitoni really deliver the goods when giving up their holes to Johnny Sins. With a killer blowjob that has Audrey sucking his bat—and Alexis stuffing his balls in her cheeks like acorns—threesomes don't get much hotter than this.

Eager to teach her husband a lesson, Jenna Haze continues the show by having her way with Keiran Lee. Fucking him on a bank of stairs, Jenna really finds her groove when straddling his lap in the sixty-nine position before swirling his sperm around her mouth.

Rachel Starr also looks damn fine when Johnny Sins treats her hole to plenty of pole,

while Kortney Kane ignites in a steamy bedroom session with Charles Dera. Although highly charged, it's the foursome starring Phoenix Marie, Mason Moore, Keiran Lee and Jordan Ash that really showcases what solid partner swapping is all about!

★★★★★

EXTRAS: Brazzers really knows how to keep the party alive by offering the viewers a bonus sex scene in each of their productions. Here, Ariella Ferrera looks downright delicious when wrapping her bolt-on tits and plump clit around Charles Dera in a scene that is not to be missed. Also strong, are the hardcore images that are displayed in a sexy slideshow format.

KAYLA PAIGE:

I absolutely masturbate everyday. I have a Hitachi Magic Wand. It's plugged in and is right underneath my bed so I can just grab it every morning. That's how I wake up.

I go for the Hitachi first, then the cup of coffee, then the shower, and then the Red Bull. Then, I'm ready to go! I'm like, 'Let's fucking party!'

25303

28219

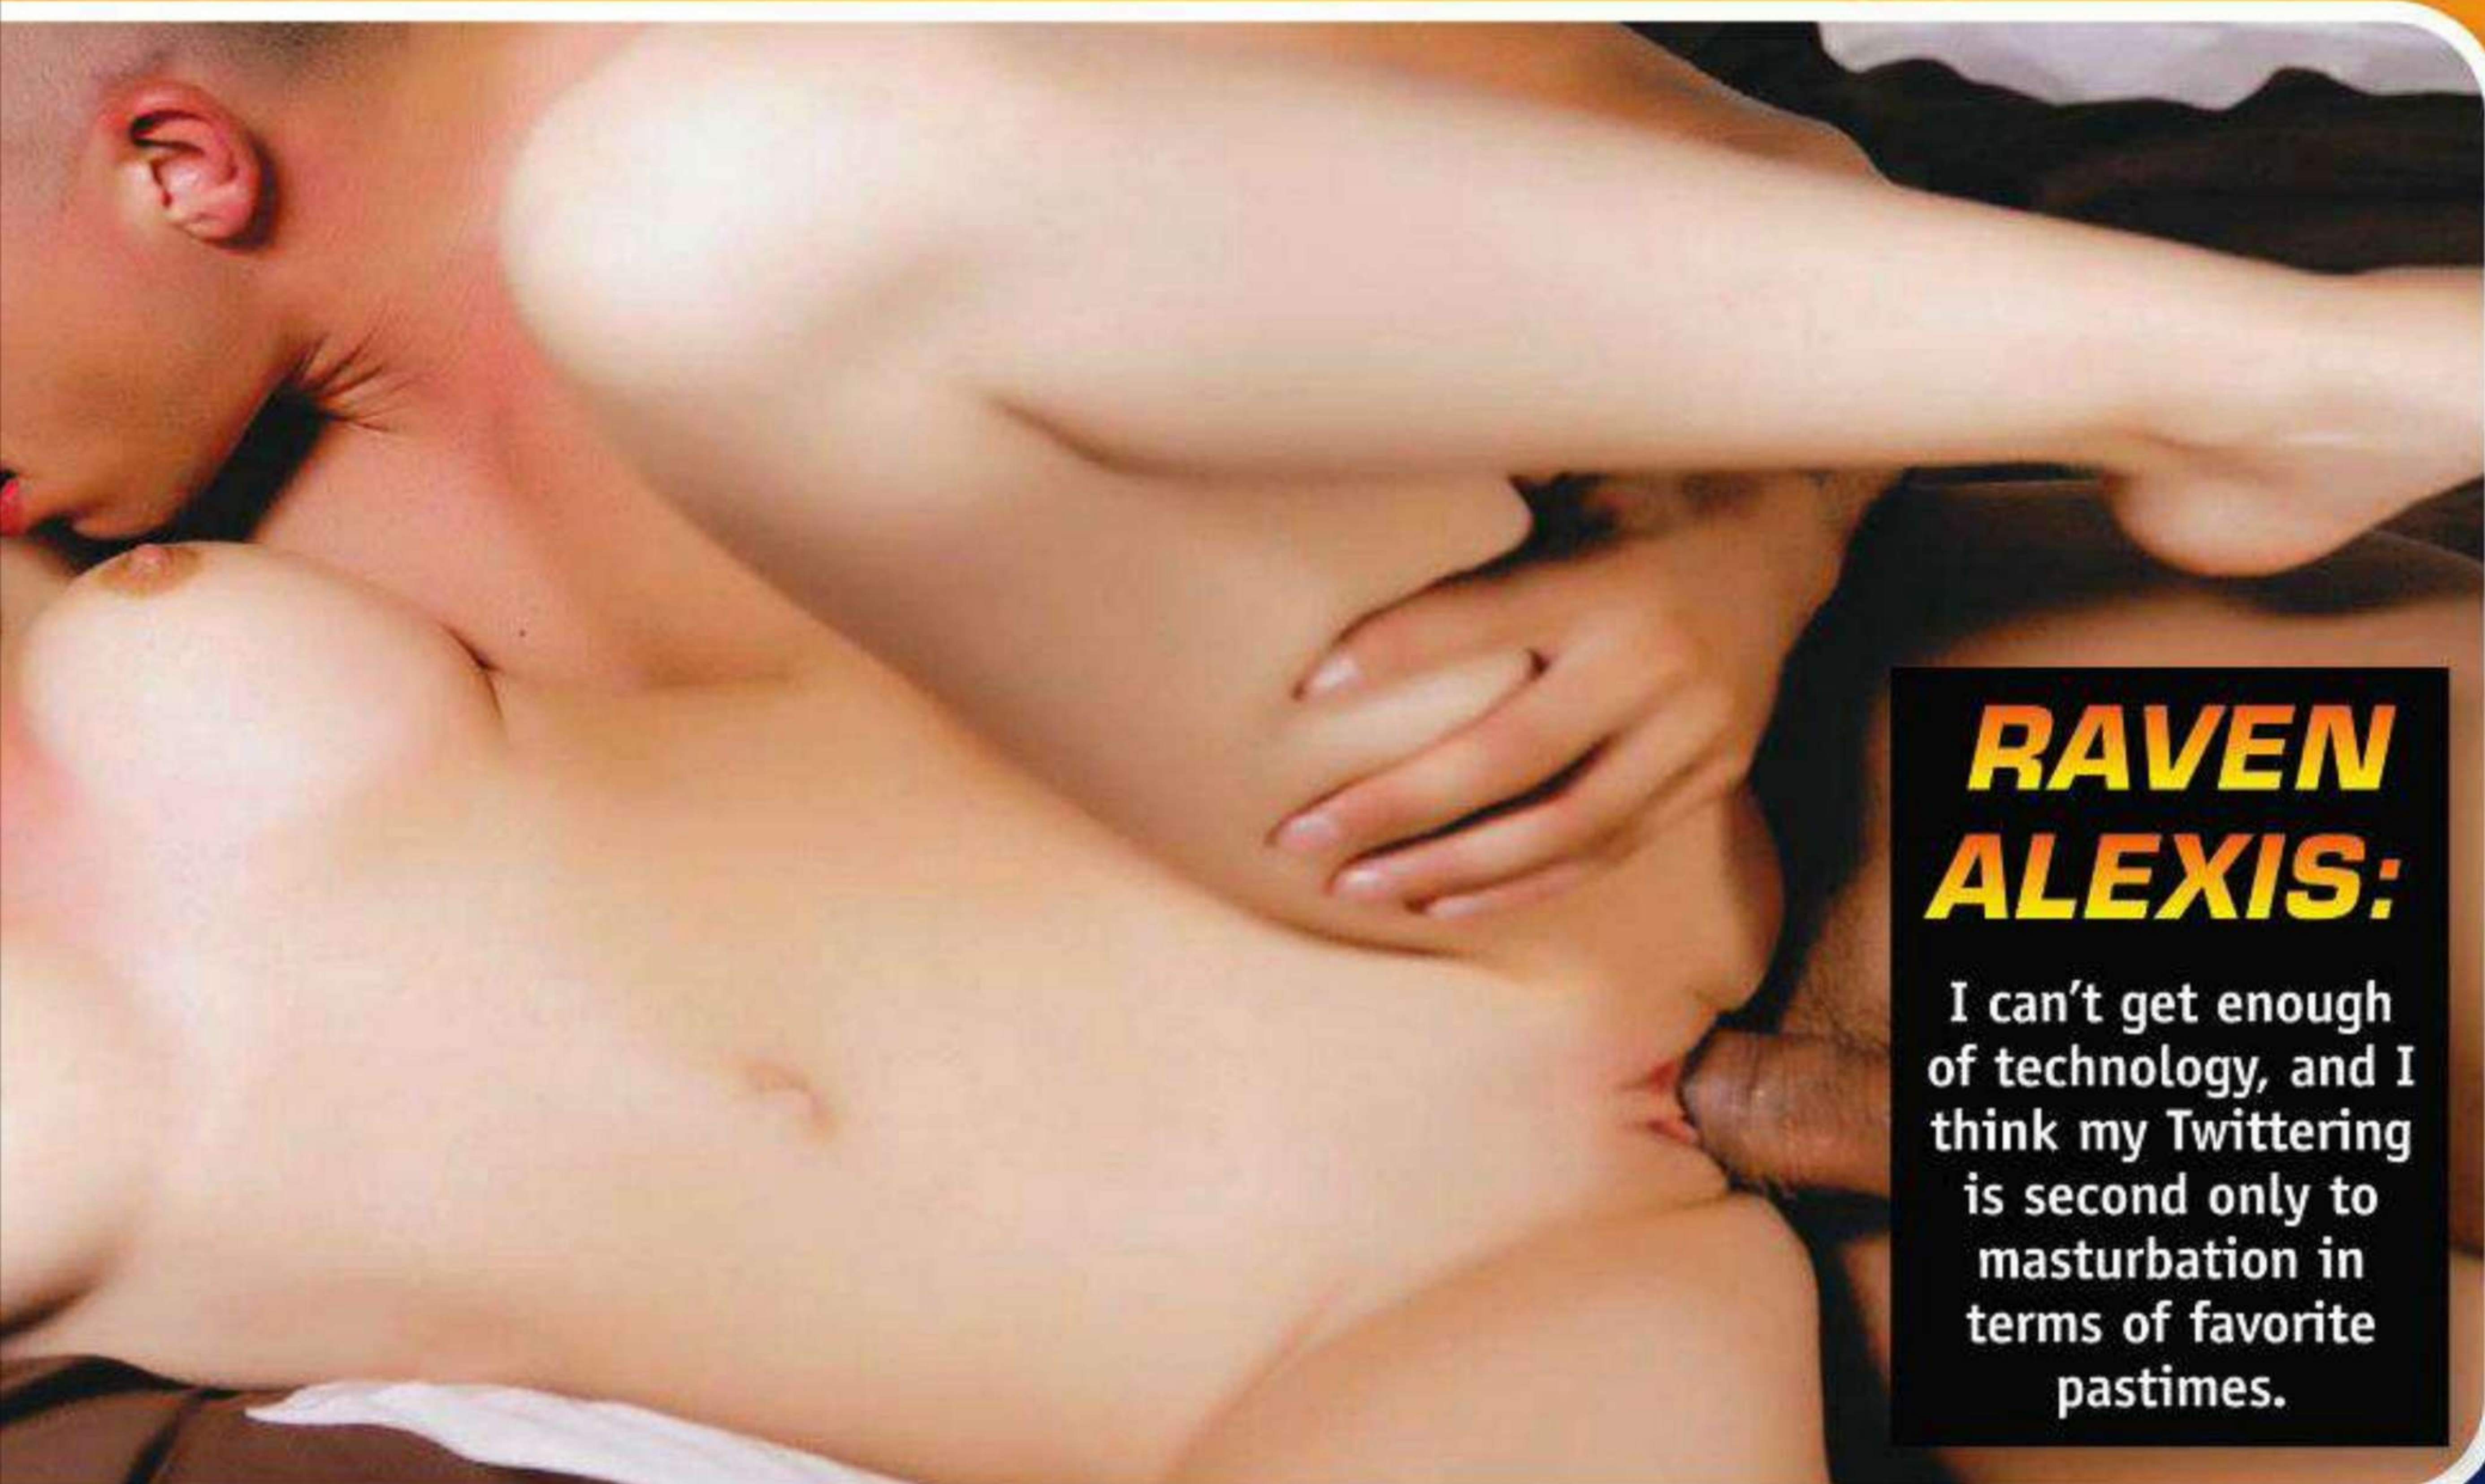

We ask the horniest porn stars of today,
Do you still...

MASTURBATE?

PRINZZESS:

My favorite toy is the Jenna's Ultimate Stroker, I think. It's like the Rabbit, only not only does it go around and vibrate on your clit, it goes in and out. And it's the only vibrator I've seen that you can hold still and it goes in and out. It's like instantaneous orgasms.

RAVEN ALEXIS:

I can't get enough of technology, and I think my Twittering is second only to masturbation in terms of favorite pastimes.

BREANNE BENSON

My masturbation fantasies always includes a boy and a girl. Three-ways turn me on. Actually, the people in my fantasy don't have faces. All I can see are hot bodies, big dicks, and huge tits. They don't need faces, actually. I'm only interested in what's below the neckline.

27596

CHARISMA CAPELLI:

I masturbate all the fucking time. I use the wand,[since] I'm very lazy. I used to have a hood piercing, and I used my wand and I actually burned my clit because the ring caused friction. Ever since, I've taken that thing out.

24875

**CHANEL
PRESTON:**

It actually comes in spurts. So, for like a week, I will, like [masturbate] all the time, then the next week, I won't do it at all, then the next week, I will all the time again. That's my routine. Especially if I'm by myself, I'll put a butt plug in, then I'll masturbate.

BOBBI STARR:

I only use the wand. It has a really high vibration, and I think that it has something to do with the head that's on it. There are imitation magic wands, and the heads aren't the same, like they're made out of different plastic. The one on the wand kind of feels like a softball. I think that the way that the vibration conducts through that material works really well. I know girls that use that thing like, five times a day. I wouldn't be able to feel anything after a while, you know, because you totally lose your sensitivity.

KAGNEY LINN KARTER:

I masturbate a lot. I started masturbating in grade school. I prefer not to use a vibrator. I have tons of vibrators because I get them for free all the time, but it's not like me to get out of bed and go to my closet for my vibrator, or even to keep it close. I'm just like, 'I'm so used to being able to touch myself and I'm comfortable that way and I don't need a toy.' I love doing solo scenes. I feel like I can really be myself, and be that girl that is actually under the covers sometimes, and does masturbate. It's so one-on-one. I look into the camera, and feel like I'm talking to that one guy, and it turns me on.

25709

27346

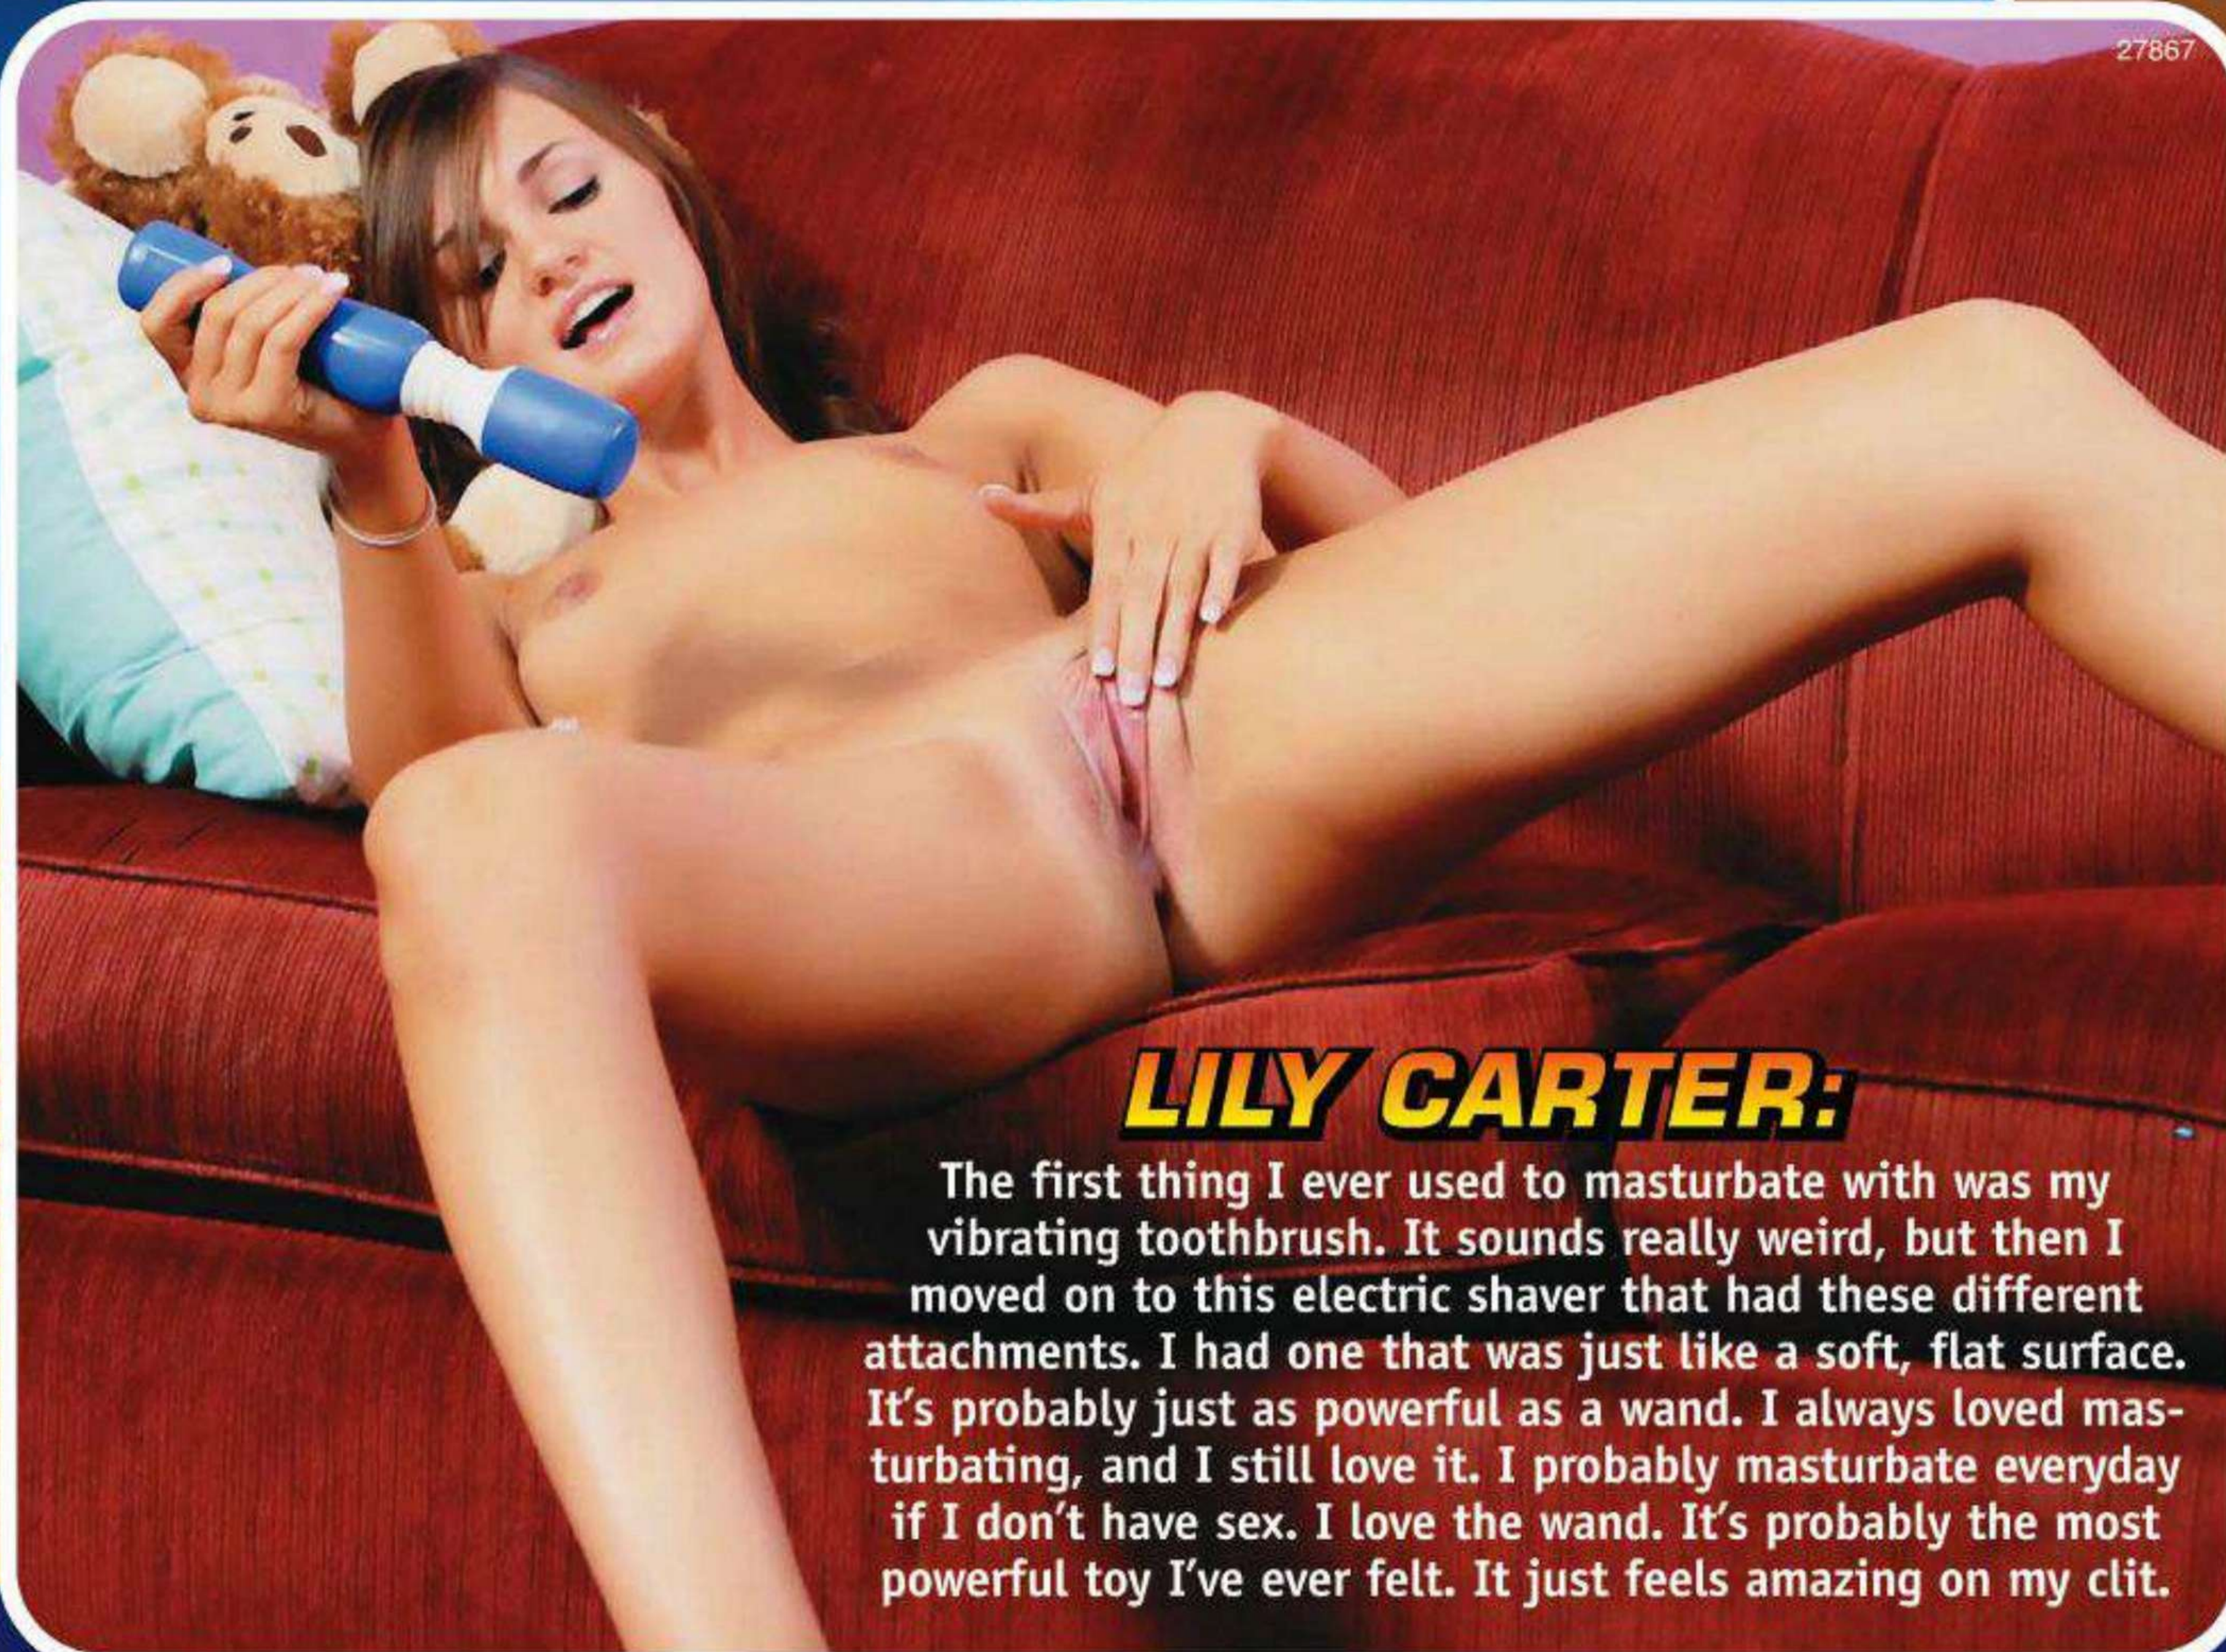

MISSY WOODS:

"I'm Bi-polar and I've been clinically diagnosed as a sex addict. I was taking medication for being Bi-polar, but it didn't affect the sex part. I got fired from a job for not showing up to work because I was at home masturbating and couldn't stop. I could never get it under control, and I was actually talking to my therapist when I got the idea in my head to do porn, and she said that it probably wasn't the worst thing I could do. We had tried so many things and none of them worked. Even if I didn't go out to the bar, and pick up a guy then I just stayed at home and rubbed it out like six times in a row, or whatever. When I can't orgasm anymore, I get really pissed off and I'm all frustrated. That happens a lot.

CARMINA KAI:

I have a vibrator. It's double-headed and has ten functions and I love it. I spent so much money on it. I use that a lot—like in the bathtub—but if I don't I'll use a detachable shower-head. When I travel, I'll use bidets. Otherwise, I'll just use my fingers to jerk off. I play with my clit a lot. In my personal life, I recently started doing anal, but I haven't done it in porn yet. I'm going to hold out for a while. I really don't need to right now. Before you know it, they're going to ask for every single scene being anal with a big guy. I've never been DP'd but it's a fantasy. Whenever I'm fantasizing about sex, it's always a DP scenario. For cumming, it's definitely more efficient for me in cowgirl. I'm in control and can control the depth of the penetration, and if I want to grind some. It definitely helps me.

LILY CARTER:

The first thing I ever used to masturbate with was my vibrating toothbrush. It sounds really weird, but then I moved on to this electric shaver that had these different attachments. I had one that was just like a soft, flat surface. It's probably just as powerful as a wand. I always loved masturbating, and I still love it. I probably masturbate everyday if I don't have sex. I love the wand. It's probably the most powerful toy I've ever felt. It just feels amazing on my clit.

HEATHER STARLET:

I masturbated on the plane for the first time. It was a red-eye flight. The plane was near empty, and I did it under a blanket in a row by myself. It was sick! I was like, 'Oh my god, I've never done this before, and I'm getting away with it!' I prefer to be in my bed with my miniature magic wand. Chloe Dash has a pink one, so I had to get a black one. I'm really stimulated by my clit. Anything that vibrates gets me off. I like the rabbit and pocket rockets. And I love skinny anal vibrating toys for my ass.

UP IN APRIL'S ANUS!

A BIG, THICK
TOY FINDS
A HOME!

Mika was new to lesbianism and its wilder practitioners. But, the slender brunette was learning fast! Dirty blonde, April, was "dirty" in more than the tint of her tresses. She loved to feel things crammed up her bottom—especially if that made her Sapphic partner's eyes pop in wonderment!

Their first evening together started romantically. The gals went to a concert and then had a late night snack and drink at a local women's watering hole. A kiss goodnight at the subway station virtually led to a sudden explosion of unstoppable yearning—flooding the troughs between their thighs with gushes of girlie fluid. At that moment, the ladies decided not to wait for the pleasures their lusty young bodies avariciously demanded. They both high-tailed it to April's pad three subway stops away.

Once inside, the chicks stripped down to their vixenish vitals. Rolling around on the retro shag carpet, they kissed, caressed, licked, and nibbled. Their bodies were a feast

that they lovingly shared, but then April raised the ante to display the prowess of her crotch, by having Mika insert a gigantic dildo in her butt. "Why do we need a toy when we have each other?" Mika thought, but she was eager to learn about the nuances of her new lover, only her third lesbian partner.

Once the dildo was inserted, Mika was glad that April had brought it out. There was something mind-bending about watching April with that plastic object crammed deeply in her rear. Mika wanted April more than ever. Soon, she was down at April's pubes and licking with intense fervor—not just April's pussy but also, once the dildo vacated the space, her anus, too. Mika had never eaten a girl's ass before. It turned out to be a taste she would love intensely!

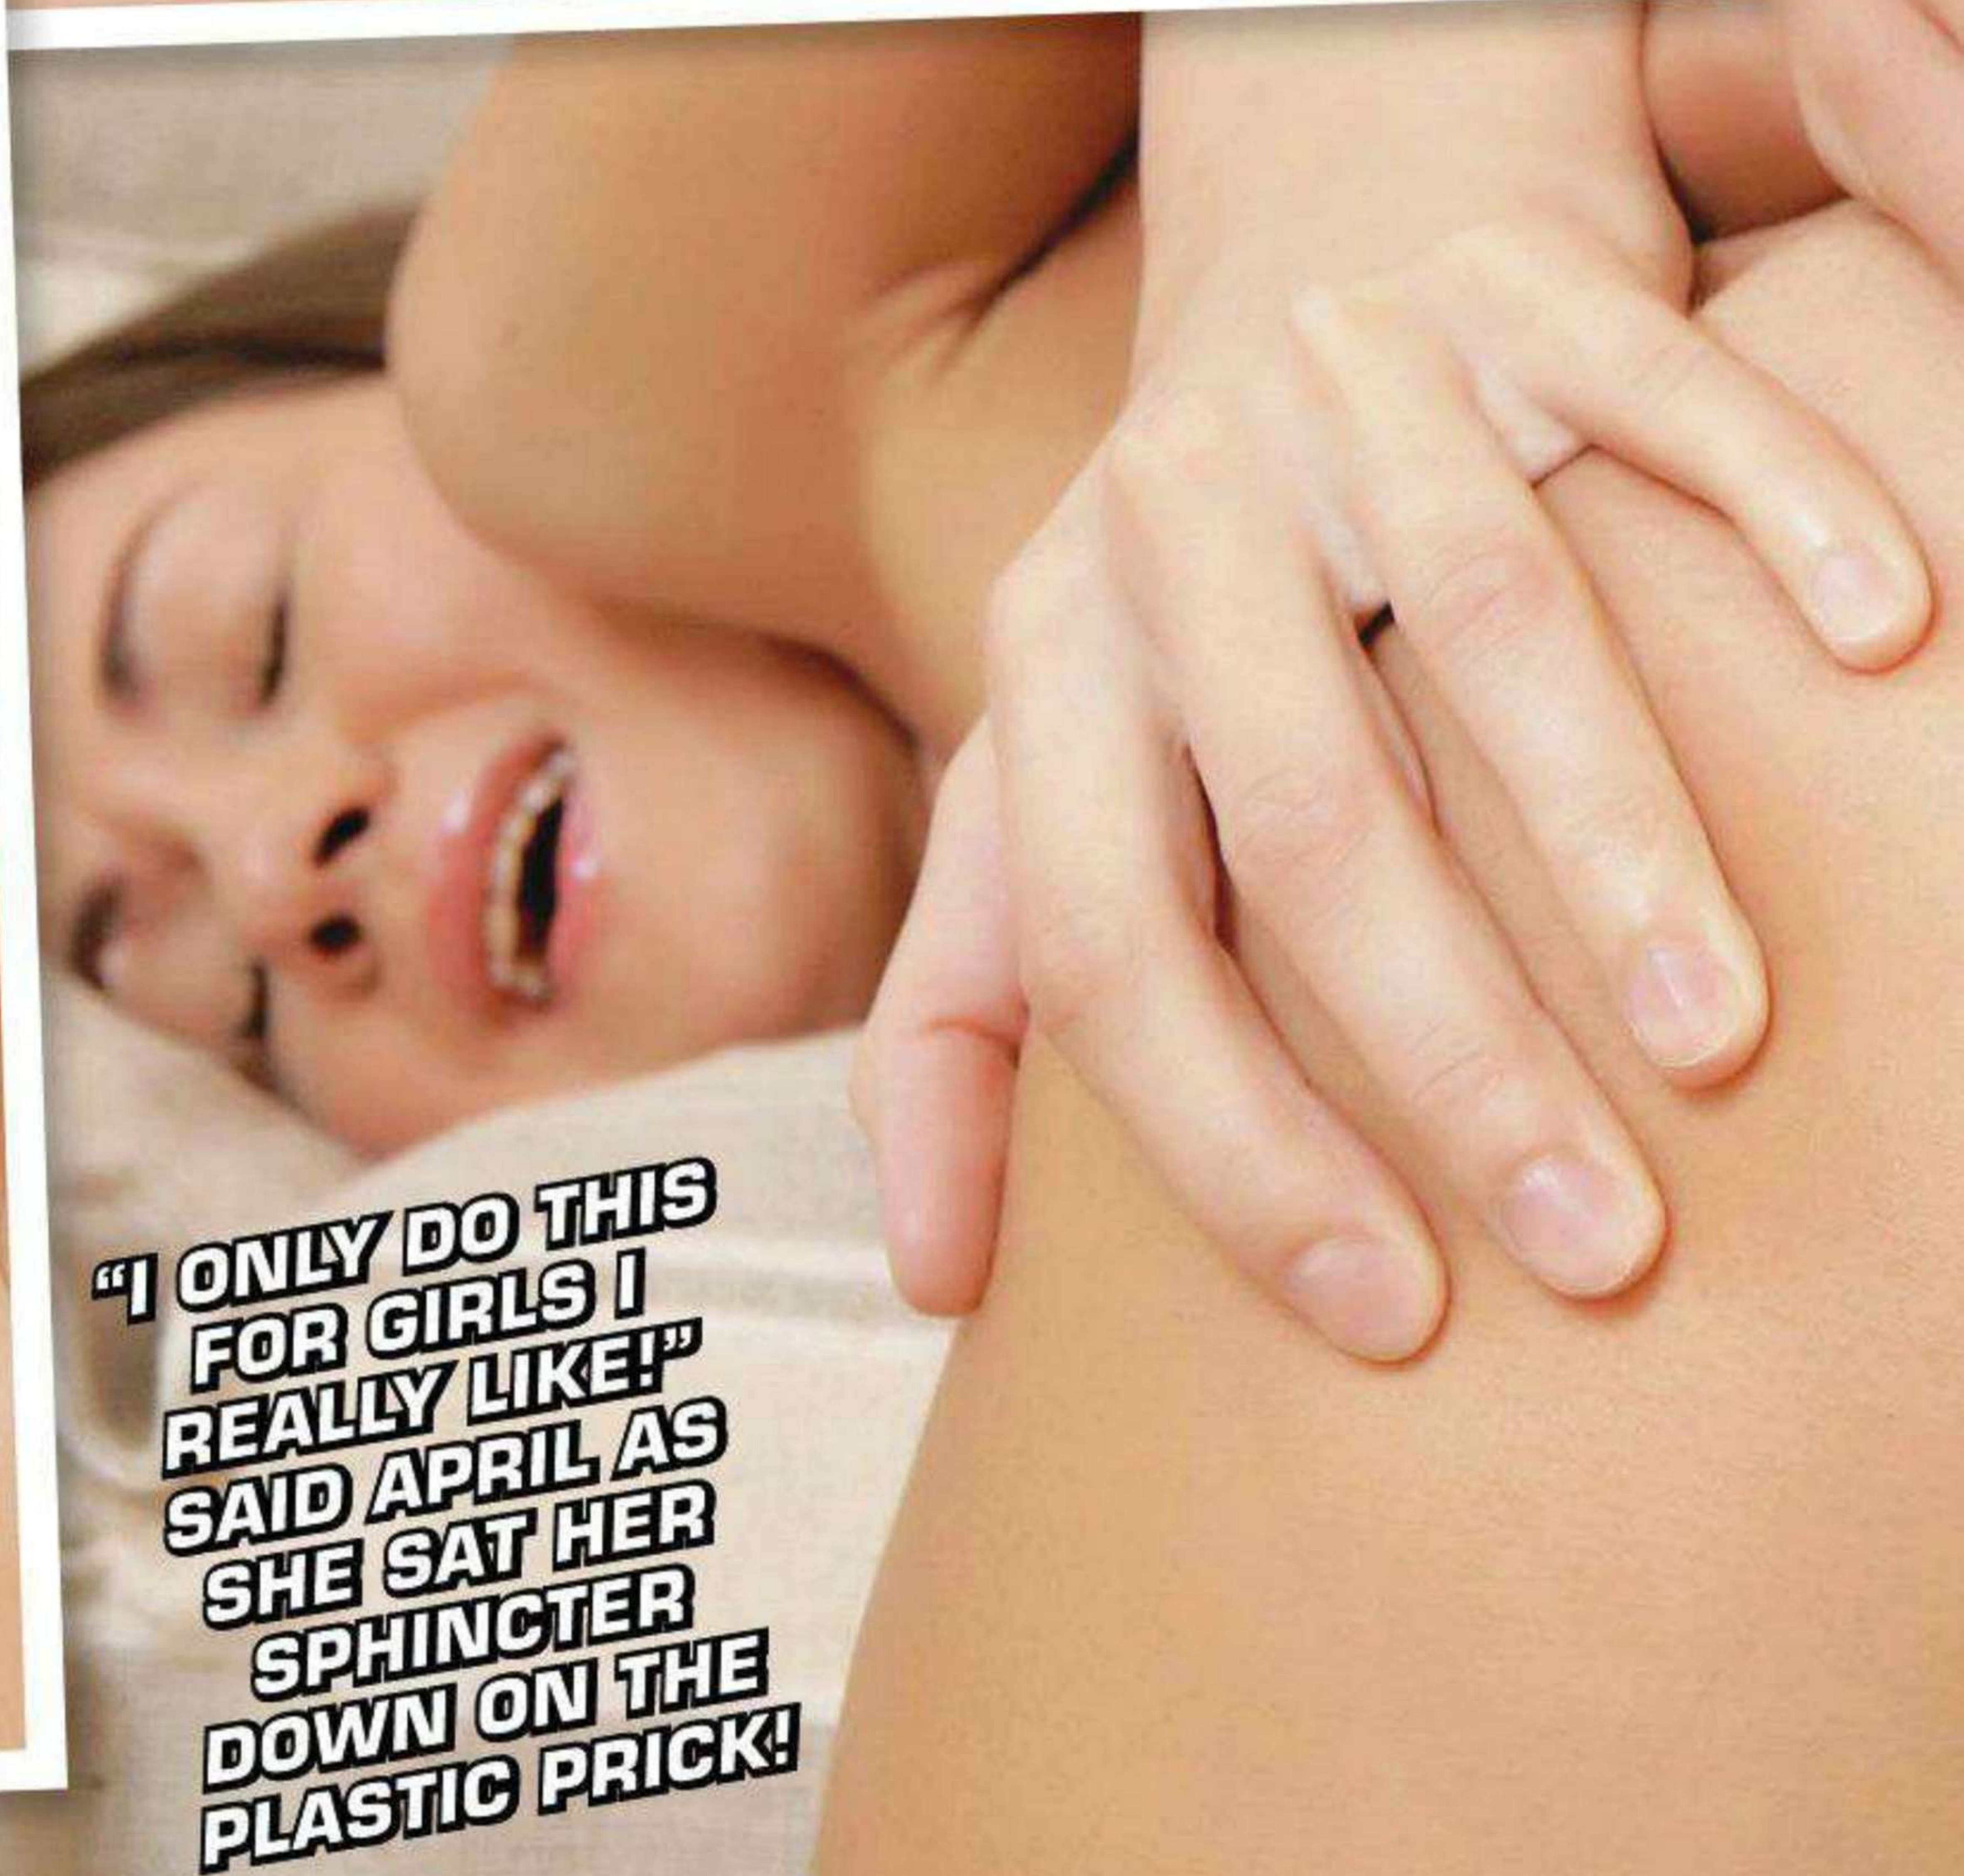

Ironically, when April went down on Mika to finish her off, it was Mika's memory of having licked April's amazing anus only moments before that pushed her clit over the top to a screaming, mind blowing cum! ♣️

TEST DRIVER TEMPTRESS

ELLIE'S OIL
SEEPS OUT
WHEN THE
RUBBER MEETS
THE ROAD...

She knows that the salesman can't take his eyes off her while she pets the luxury car, bending over to check out its rear seats. "Mmm...there's so much room back there," she bellows, raising her taut ass. "I know I'll be able to do a lot of damage with this vehicle."

Looking around, and realizing they're the only ones on the lot, the swarthy salesman makes his pitch, and says, "Oh, yeah, let's see what little damage you can do to the SUV."

Always up for a challenge, Ellie undresses down to her silky, black thong—pushing her perky breasts up to the glass. "See, like right there—"she points inside the console—I could spread my legs over that part and let someone plow me right over the dashboard."

With the salesman's cock throbbing in his pants, he covers his revving engine with his clipboard, spurring his client on with racy thoughts. "I'm pretty sure you could put the pedal to the medal in this baby," he spurts.

"Oh, yeah, you bet your rock-hard cock, I can," the green-eyed vixen continues, stripping down to her birthday suit. "Oh, but look inside—the seats are upholstered—that means they stain easily," the dirty blonde pouts, spreading apart her soaking, pink petals that glisten in the sun. "But, that's okay. I think the ol' spit and club soda method will do the trick."

"Yup, I know I can hook you up with some cleaning supplies if you get this beauty," he says, pressing his clipboard harder and harder, staving off his aching cock that's about to explode.

"Mmm...but tell me one thing." This cunning client says, sitting down next to the alabaster ride. Do you think it fits me?"

"Uh huh, ma'am, I do," he says breathlessly, watching her as she sticks her languid fingers in her soaking snatch.

Pistoning two more fingers deeper inside her velvety walls, Ellie whimpers, "Great! Sold. Oh, and I love this white finish, too." ♡

Men In Uniform Love Big Tits

STARRING:

Starring: April O'Neil, Sophia Santi, Joslyn James, Phoenix Marie, Shyla Stylez, John Strong, Michael Vegas, Jack Lawrence, Erik Everhard, Mark Wood

DIRECTOR: Miles Long

AVAILABLE FROM: Third Degree Films

Be all that you can be" is certainly a phrase we have all grown up with and become accustomed to, but never has a motto rang so true than on the set of Third Degree Films's latest skin flick—*Men In Uniform Love Big Tits*—helmed by award-winning director, Miles Long.

The film features sinfully sexy girls with humongous hooters, boosting American morale one flagpole at a time by demonstrating exactly how much they love men in uniforms. Fucking their way through the ranks—as an outward expression of their unwavering patriotism to the land of milk and honey—these lovely loyalists are committed to the cause, stopping at nothing until they succeed in giving our troops happy endings. Luckily for us, we've been enlisted to top rank status, guaranteeing us an up close and personal look at the troops in hardcore action. So, respectfully raise your hand to your brow, as it is time to watch these women salute our troops—one delicious fuck at a time.

"Come feel me up!" April O'Neil giggles, as soon as I enter the bustling studio that is teeming with colorful sets and naked chicks in every corner. After a solid tit-to-tit squeeze that has our

nipples touching, John Strong—April's man in uniform—races over and pries her from my grip.

"Paws off Emma. This bitch is all mine," he playfully growls, dragging her onto their set by the hem of her skimpy dress. Never one to argue with a hot man in full army fatigues, I hand over my girl and sulk in my moment of defeat.

"On your knees!" John hisses, yanking April down in front of his cock to watch her Latina lips worship his pole with laps of her candy-colored tongue. Once in place, April opens up her mouth to near snapping point, siphoning his swollen nuts inside, before puffing on his mushroom tip like a fine Cuban cigar. "Look at me with those beautiful, brown eyes," John sighs, cupping her chin and curving her black hair around her ear so the camera can see his meat sliding in and out.

Quickly thereafter, John peels April out of her dress like a banana, revealing a perfect set of homegrown hooters. "It doesn't get better than this," he smiles, twisting her nipples between his fingers as if he is adjusting a transistor radio. With such great cans on the line, John sandwiches his frank between her squishy chest buns and takes them for a

spin. To ensure an even wetter experience, April greets the tip of his cock with tender kisses and plenty of saliva stingers that glue the two together. "Fuck...easy girl! This feels way too good," John whimpers, momentarily disconnecting his cock from the slippery ride before going too far.

"It's time to enlist your tight pussy," John interjects, throwing April down onto the red leather couch that is lined with camouflage blankets. Spreading her legs open to reveal a super tight hole, it takes John several attempts before he is able to fill her snatch up from tip to base. Getting a glimpse of her petite pussy in action, Long interjects from behind his camera. "Dude, does that thing even fit in there? It's like trying to stuff a finger in a light socket!"

After a good laugh, the dynamic duo continues to pounce in three more positions, with April demonstrating her strongest stride in reverse cowgirl. Feeling his pole swell inside of her like some kind of porno cock whisperer—April instinctively falls to her knees in perfect time to catch the salty sprays from his hose as they land on her chin and chest. As April plays in the sticky paste that decorates her body, Long loudly exclaims, "If you've got a bucket list, make sure April O'Neil is on it!" Check!

Gaining fleeting fame and mainstream notoriety for her affair with golfing legend, Tiger Woods—Joslyn James has officially traded in her 15 minutes of fame for eight inches of Jack Lawrence's cock! When walking out of the makeup room in red fishnet stockings and a black miniskirt, it becomes undeniably apparent why Tiger was anxious to stick his club inside of this top-notch cougar. "Hot damn," Jack Lawrence boosts, twirling Joslyn in place like a prima ballerina while grabbing handfuls of her succulent ass as she spins.

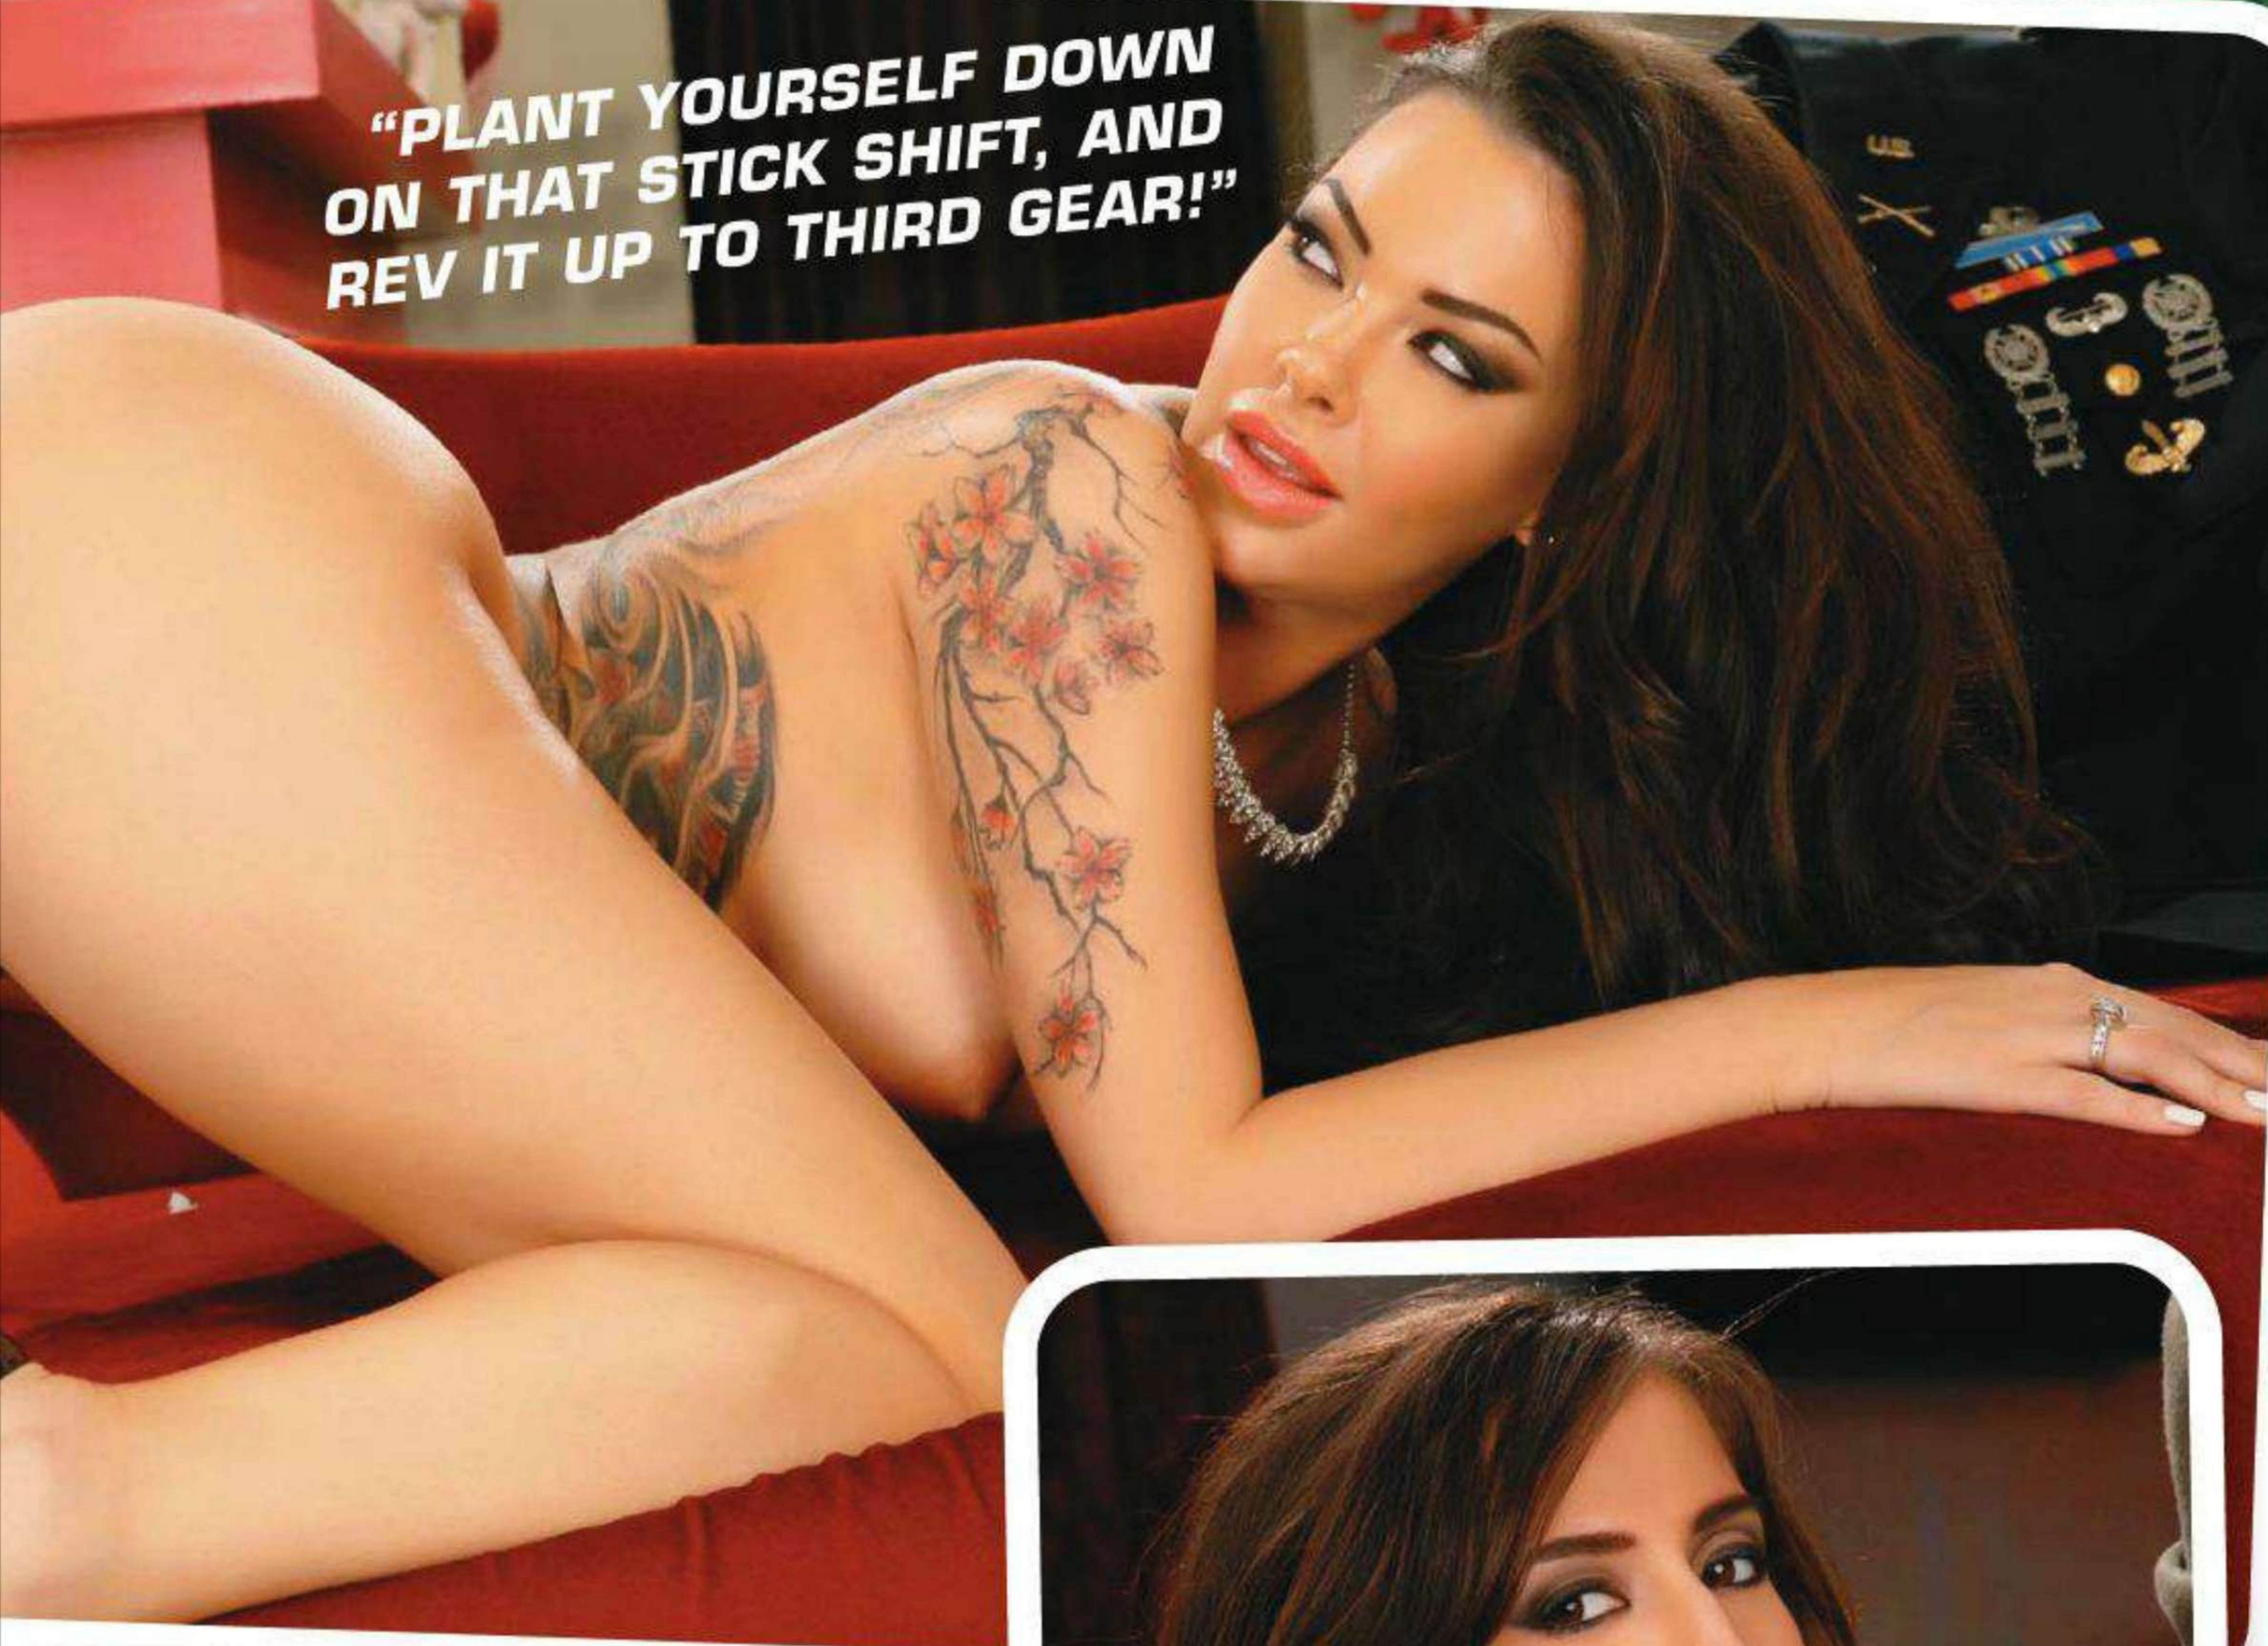

Immediately perking up due to her sexy introduction on set, Joslyn kneels before Jack and purrs, "Officer, I've been a very bad girl!" Unzipping his pants to release his nightstick, Joslyn grabs Jack's shaft with both hands, wiggling her tongue inside of his dick hole before swallowing his tube steak whole. "That's the stuff," Jack moans, cupping his balls in his hands, eventually letting them billow across her chin like floating water balloons.

After treating this fiery redhead to plenty of expert oral, Jack lays down the strong arm of the law by securing his stick in her pussy in reverse cowgirl position. Jabbing the stems of her heels into the floor for a better toehold, Joslyn visibly catapults to the next level of hardcore sex. Witnessing her salacious shift from behind his lens, Long enthusiastically shouts, "Plant yourself down on that stick shift, and rev it up to third gear!" Eager to please both her director and her canoodling co-star, Joslyn hunkers down and goes for the gold by slamming her body up and down as her ripe melons sway across her chest. Wildly pulling on her tits as she is swept away in orgasmic bliss, we sincerely hope that Joslyn's opted for the extended warranty package and her store bought titties. After this heated scene, she may need a boob adjustment!

After a quick break has refreshed the cast and crew, Sophia Santi strolls onto

**"PLANT YOURSELF DOWN
ON THAT STICK SHIFT, AND
REV IT UP TO THIRD GEAR!"**

set in a lacy bra and panty set, holding a full-fledged assault rifle in her grip! Instantly baffled as to which is more shocking—the fact that she’s actually sporting a major fire arm—or that Sophia Santi—a living goddess that has made a name for herself as a premiere lesbian performer—is now taking cock! Calling it a tie, Long looks over in my direction as if reading my mind and smirks, “Yes my dear, Sophia Santi is about to be cock slammed on my set!”

Laughing at our blissful moment of hardcore revelation, Sophia looks over to Long and Michael Vegas—her meat stick for the afternoon and purrs, “You haven’t seen anything yet.” Eager to finally show the world what she is made of, Sophia sits on the red velvet sofa and spreads her legs wide. “Come and play with me,” she sexily exhales, pulling Michael in by the collar of his military jacket, urging him to strum her clit like a harp. And boy, he does!

Wet and ready to go, Sophia stretches her body across the sofa like a Jungle Cat—wrapping her red lips around his dick. With her cheeks caving in the middle and the slither of his snake visibly inching down her neck, Sophia gives up one of the sultriest blowjobs ever witnessed. In time, her mouth is flush to his groin, as red stains of lipstick blot his stomach with rings. Sophia Santi, deep throating? Who knew?

Unable to speak, Long motions with his hands for Michael to continue in spoon. He hoists her mile long legs up with his hands and slides his stick inside. Immediately greeting his cock with a tight twat squeeze, Sophia’s pink pussy has evidently been craving meat for a long time! He fucks her well in several positions, making Sophia gush with pussy pulp in nearly every arrangement she is flipped into. Once his juice is on the loose, we learn another fun fact about Sophia Santi—she’s not a cum dodger!

Completely turned on by the sex she has just witnessed, Shyla Stylez is anxious to wrap her blonde ambition all around Mark Wood. Lunging toward him like an Olympic athlete, Shyla expertly falls in place, securing his sword in her mouth as they land. "How'd she do that?" Long laughs, trying not to interrupt the raw passion that is moments away from exploding. Known for delivering awesome blowjobs, Shyla does not disappoint here. Instead, she has Mark squealing like a piglet as she works summersaults around his shaft with her award-winning tongue. "I know you like that baby," she teases, squeezing his cock in her palms and racking the head across her swollen tits. Nodding his head "Yes," Mark scoops Shyla under his arm like a sack of potatoes and plants her on all fours. Inspecting her open holes, Mark licks her buttocks and stuffs her pink full of fingers before sticking his dick inside.

"Enny Meeny Miny Moe," he later continues, having the hands of fate help decide which hole he should continue in next. Thankfully, her anus becomes the hole of choice. Plowing through her ass like an Idaho potato farmer, Mark morphs Shyla's asshole into an awesome blossom after fucking her silly in three anal positions. She takes his cock like a total pro, and even manages to swallow most of his load as it comes streaming out of his cock like the star spangled banner!

Leaving the set at this point, I sadly miss Phoenix Marie's patriotic pole polishing session when Erik Everhard stops by to entice his new recruit into jungle love. Driving away, I am plagued with the thought of how much better the world would be if all national conflicts could be solved with hardcore fucking as opposed to war. Pussy instead of pistols seems to be a novel idea, as demonstrated by the cast and crew on today's excellent set. So, now it's your turn to show your patronage for pornography and "Be all that you can be" by securing your hands around a copy of *Men In Uniform Love Big Tits*. The world will be a better place because of your decision to pick tits over turmoil! ♡

SOPHIE DEE

BIG TITS & TIGHT HOLES!

This 36DD Welsh import began throwing down in three-input cock invasions in 2005. Sophie's penchant for ass sex and DP's have put her at the top of most porn star fan polls and the busty cock slave was recently voted "Miss Freeones" by online porn strokers worldwide.

Club International: Though you've been nominated twice for "Unsung Starlet of the Year," you've never won gold from AVN. Does it irk you that you don't get the attention and props you deserve in this business?

Sophie Dee: It's true. I have never won an AVN award, even though I have been nominated several times within my six years in porn. But no, I'm not really bothered by that. I would love to be nominated for "Best Foreign," or "Top Female Performer of the Year," though. We'll see.

CI: One honor recently bestowed on you was "Miss Freeones." That's a pretty big deal. What was that like for you?

Sophie Dee: It was amazing. I worked very hard for it, and I have to thank all of my fans, as it is a fan vote. They voted me number 1! They made me very happy.

CI: Your website—*ClubSophieDee.com*—is considered to be one of the best in the business. What is it that sets your site apart from other adult sites?

Sophie Dee: I love my website. It has been nominated so many times for awards. One of the biggest things about the site is that it has a lot of solo sex stuff of me. And this is stuff that you can't see anywhere else. I shoot a lot for my websites. I'm always asking my fans what they want to see, and I try and deliver. Right now, I own five websites:

Clubsophiedee, *Thepussyadventures.com*, *Mistresssophiedee.com*, *Sophiedeevideos.com*, [and] *Sophiedeeblog.com*. Coming soon, is my sloppy gloryhole site. I like to stay busy. My websites also feature live webcam shows, stores, games, and a blog that I update twice a week.

CI: Many stars feel that the Internet is bad for the industry. Yet, you have been able to make the Internet work for you. What is your overall feeling on Internet porn?

Sophie Dee: I think it's great. My *clubsophiedee* site has been up just a little over four years and it continues to grow. I think soon all porn will be on the Internet.

CI: You have been doing interracial scenes since you first got into the business, and you are married to a porn star that happens to be African American. Do you think it's strange that there are girls in this business that will do just about any sexual act on camera, but draw the line at having sex with people outside their race?

Sophie Dee: Yes, I do, especially when they say it will hurt their career in porn (Laughs). If that was so, then why are: Belladonna, Gianina, Nina Hartley, Tori Black, and Lisa Ann some of the biggest stars right now and they all do interracial?

CI: You have certainly shot your share of double penetration scenes. DP's look hot for the viewer, but does having two cocks in you get you off?

Sophie Dee: Of course it does. I don't think that's the kind of thing you can fake. When it comes to cocks, pussy or sex in general—I truly believe that more is better.

CI: Anal sex has been something you've been doing on screen since your earliest scenes. Some girls put off anal until later in their careers. Is there a mindset behind why you chose to bring it up so much to your scenes right away?

Sophie Dee: Well, coming from the other end of the world to do porn, my thought was to go big or go home (Laughs). So I figured that I might as well do everything. I also wanted my scenes to be memorable, so I didn't want to hold back.

CI: Is there anything that is taboo to you as far as sex acts you won't do on camera?

Sophie Dee: Yes, I do not like being tied up. It's not my thing. So, my fans will not be seeing that. I don't do fully tied up.

CI: As far as your own sexual pleasure, what is the scene that you shot that you got the most turned on by?

Sophie Dee: Maybe the Rocco Stiffredi and Lex [ington] [Steele] shoot for Rocco's movie *Psycho Love*. I believe it's the third in the series. That was an intense shoot; it had me, Ke

Divine, and Ashli Orion in it, and all three of us got DP'd by Lex and Rocco with Lex in our butts! It's crazy. It's from Evil Angel

CI: What does a guy need to know when it comes to making sure that you get off? Is it the same as what a girl sex partner needs to know?

Sophie Dee: All I can say is that you just have a good time with me. And you have to just be yourself. If it happens it happens. As long as you get off, we're cool.

CI: Aside from appearing at conventions, do you ever tour as a feature dancer?

Sophie Dee: Yes. I love touring the country and dancing for my fans. I spend a good amount of time on the road every year.

CI: From a porn star perspective, are there any major differences in the way the adult industry is viewed or accepted in the U.K. as opposed to the U.S.?

Sophie Dee: Yes, it's much better over here than it is where I came from. I'm sure in England it's probably more accepted, but in the small villages in Wales, it's not.

CI: When you are working do you ever think about the thousands of men who will one day be jerking off to watching you have sex on camera?

Sophie Dee: No. I don't think about those kinds of things till after the shoot. I really do get turned on by the idea, but I don't really have too much time to think while I have a big cock up my arse.

CI: Where are the best places for us to follow you online?

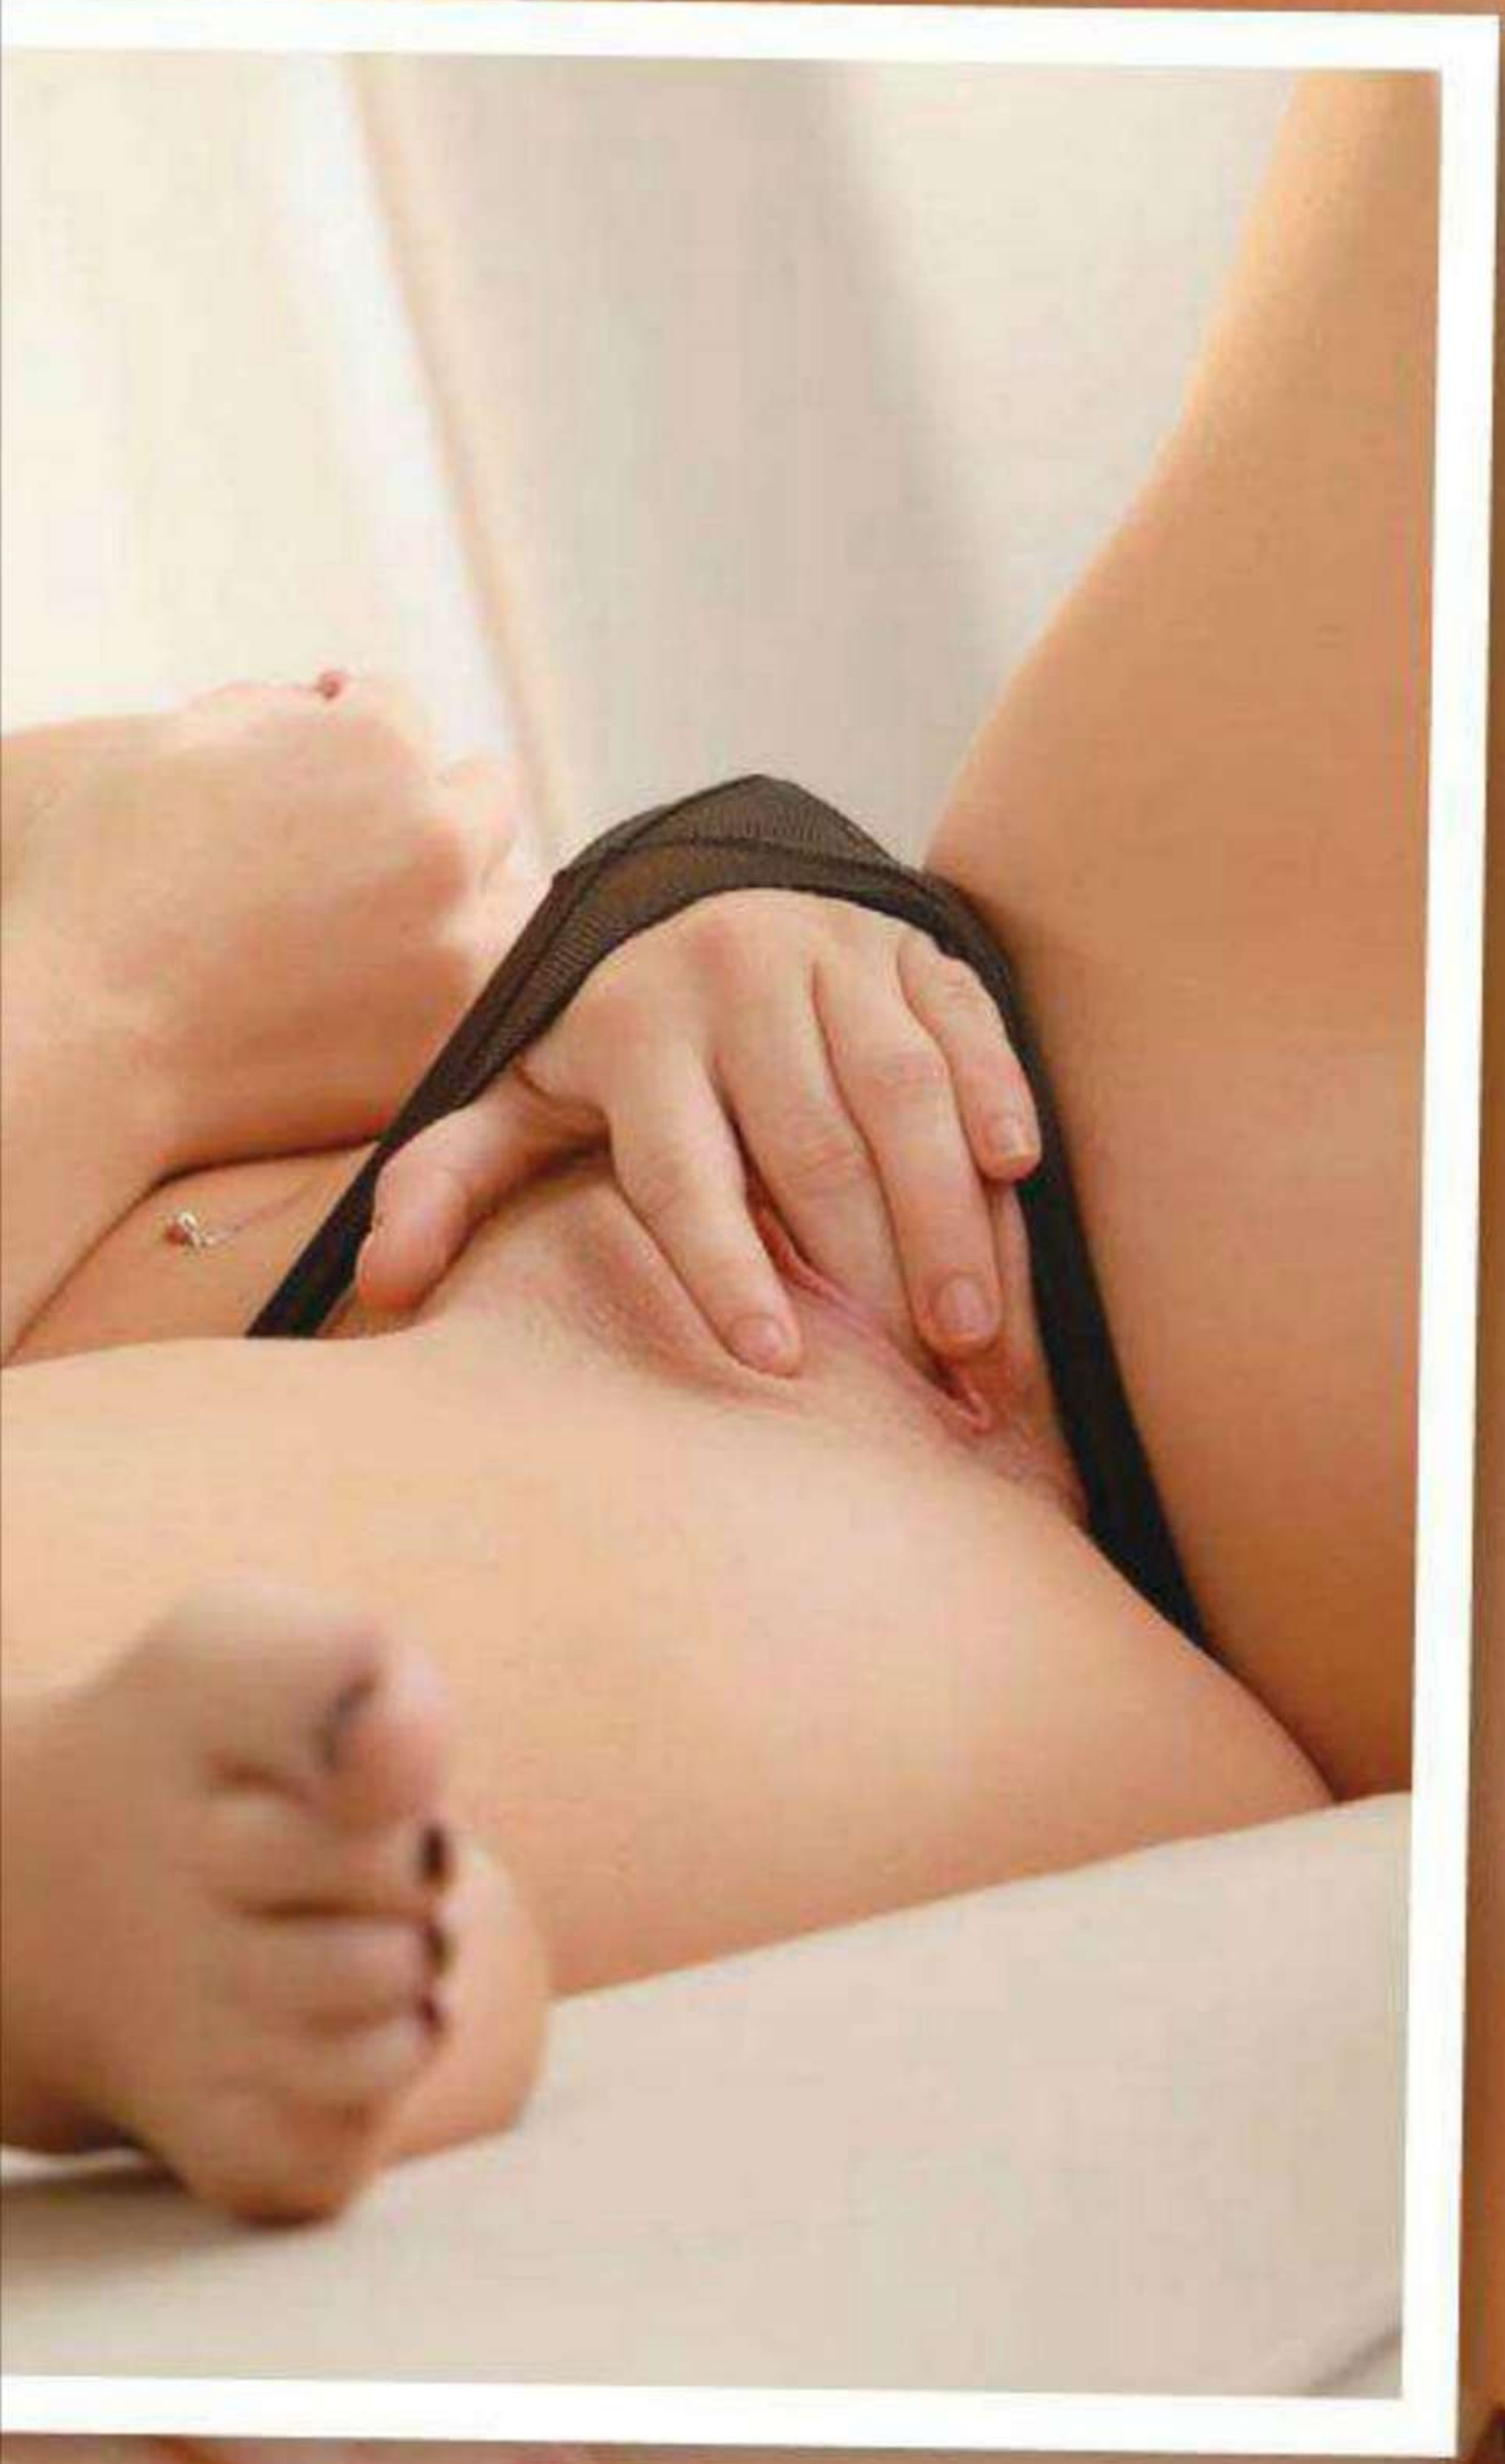

Sophie Dee: Twitter. Follow me at twitter.com/sophiedee, and you can watch me on webcam at sophiedee.cammodels.com

CI: I also heard you are raising funds for the people of Japan. Where can people go to donate?

Sophie Dee: I just set it up last night. The site is firstgiving.com/fundraiser/sophie-dee/japan-disaster-relief ♡

was building toward his climax, too.

And then we were all cumming—with my second orgasm as intense as the first. Manuel was shooting his hot load into me, shouting senselessly in total release as his body shuddered from head to toe. The couple in the film was going through a similar process!

And thus came to a close the hottest night of my life. I miss Manuel very much, but at least I have so many erotic memories to fall back on. I hope your readers enjoy this adventure as much as we did. It's something I'll take to my grave, and I'm sure Manuel did as well. Who knows, I might make some new memories to gaze back on until that happens! —Lana T.

A HARD GUY TO SHARE

For about a year-and-a-half, I was seeing this guy named Anton. He had a fantastic cock, and he could have about six or seven hard-ons a night! Needless to say, he was truly amazing. But, after a while, I started getting bored with him whenever we weren't in the bedroom. He never wanted to do anything out of the house, so we split.

About five weeks later, I found myself really missing his cock. I figured I'd get over it. Then, I found out that my good friend, Rochelle, was seeing Anton, and was no doubt getting fucked half-a-dozen times a night by him. Suddenly, I was insanely jealous.

One day, I snapped at Rochelle about her having stolen Anton, even though that wasn't the case at all. She was a good enough friend to realize it was just the sex I was missing, so she invited me over that night. She said Anton was coming over, and that she wouldn't mind sharing two or three of his erections with me. Now, that's what friends are for!

I went to Rochelle's wearing one of Anton's favorite outfits: A sleeveless, camisole top that was very transparent. The sight of my nipples showing through my top always used to get Anton's rocks going. I also

had on a new miniskirt and nylons. Anton loves to fuck a girl with nylons.

When I let myself into Rochelle's apartment, my mouth dropped open in surprise. Rochelle and Anton were already at it on the couch. Rochelle was on her back with her legs spread and one dangling off the sofa. She was naked, except for a pair of buckskin-colored boots.

Anton only wore a shirt with the sleeves rolled up tightly around his muscular biceps. He had his hands beneath Rochelle's ass and was fucking her wildly—banging her body

you dress like that," he said deeply, rubbing his cock against the front of my skirt, leaving trails of premature semen across the fabric. He undid my skirt, let it drop to the ground, and then rolled down my stockings so that they were just above my knees.

Rochelle pulled herself from the sofa saying, "I don't want to miss anything." Naked except for her boots, she sat on the edge of a cushioned chair, with her legs spread and her pussy glowing. "Come put your head in my lap," she said to me.

I got down on all fours and eased my mouth inside Rochelle's thighs. Her pussy had a sweet smell, and I found my tongue drawn toward it like bees to honey. Rochelle took hold of my curly, blonde hair and pushed my face farther into her crotch so that all that I could smell or taste was her cunt.

I was licking her with an increasing passion when I felt Anton settling down behind me. He took hold of my hips, found my pussy with his cock, and rammed himself in. The force of him sent my face even more closely to Rochelle's pussy; and soon, my tongue slipped deeply into her hole.

Anton started sighing and grunting. My pussy was tight and wet—just the way he liked it. He always loved our first fuck of the evening the most because of the taut grasp my cunt held over his pumping prick.

He started riding me hard—almost throwing my body forward. Rochelle was moaning again, too, as my tongue lapped hotly over her cunt—flicking her clit, and dipping as far inside her channel as it could reach.

When I started to cum, my screams were muffled in Rochelle's pussy. Anton kept slamming home his cock until he exploded wads of semen inside me. Rochelle came, too, with my tongue licking her hotly.

Rochelle and I collapsed onto the carpeted floor while Anton leaned back against the sofa. It couldn't have been ten minutes

later that I felt Anton turning me over, spreading my legs. He was hard again!

"Goodness," Rochelle sighed, "I'm glad you're here to take half of what he can dish out. I don't think I could have handled him all night again."

I grasped Rochelle's hand as Anton pulsed his hot cock into my willing pussy. Little did she know just how glad I was that she invited me.

As Anton started fucking me with a relentless stamina, I just held on some more until

down into the sofa cushions. I could feel my pussy welling with moist excitement.

"Sometimes, I'm half-afraid I'm fucking her silly," Anton said, as he got off the sofa and walked toward me with his hard cock jutting passionately from his loins.

"He is," Rochelle moaned from the couch. "Believe me, he is fucking me silly."

Anton put his hands at my waist. He was looking at my breasts, and staring at my nipples showing through my top. "I love it when

he fired me full of his second wad of the night. From that point on, he took turns fucking Rochelle and me. I think, between the three of us, we went through every conceivable position known—and perhaps some that we had invented for the first time. By the time I left, several hours later—Anton was still hard and raring to go. Hopefully, he'll be just as ready the next time the three of us meet up!

CUM-PANY PICNIC

I've heard it said that you have to be careful how you behave at the office picnic, or your career can go right down the drain. A guy gets too much to drink, and he makes an ass of himself, or he starts groping the women, and then back at the office he finds he's being passed over for promotion. It happens, I guess. However, at the company picnic I attended this past summer with my husband, that wasn't exactly the case.

As soon as we arrived, my husband—with most of the other men—got into a softball game and ran their asses off most of the day. The women formed their own little groups to yak about their kids' dental problems or such things, and I wandered down to the lake shore and sat there—not in the mood to hear how some young housewife discovered the most wonderful gynecologist. I wasn't there long before I had company. He was in his mid-30's—handsome, and real sexy-looking. He was my husband's boss, and from what I'd heard about him, there probably wasn't a woman there at that picnic he hadn't fucked.

We chatted for a while, and then I told him I was going for a walk along the edge of the water and asked if he'd like to join me. That seemed to be exactly what he had in mind, and he was delighted that I'd made it so easy for him with my invitation. We had to go only a short distance to be out of sight of the women sitting at the picnic.

Then, without being obvious about it—or seeming to hurry—we put a long distance between us and them. Then we came to a small clearing that went back a ways from the water. I sat down there on the soft grass, and my husband's boss, Peter, sat close to me. While I prattled on about nothing in particular, making believe all my thoughts were as innocent as could be, Peter slipped his arm about my shoulder, then while he kissed me, his other arm began fondling one of my boobs.

We hugged and kissed, with our arms around each other. His hand was all over my tits and feeling all around my ass. We got into some

heavy smooching, and when we came up for air, I took off my halter and let him feast his eyes on my naked, full, round tits.

Suddenly, he had his face pressed onto one of my tits and the nipple in his mouth—sucking on it like he wanted to swallow the whole thing. My tits aren't so big that they hang down like some women's do, but they're big enough that they stand right out there and can't be consumed in one mouthful.

He did his best to devour my boobs. He sent me into an ass-wriggling climax—just from sucking on my nipples. When I caught my breath, I pushed down my shorts and wiggled out of my panties. Then, I lay back with my legs apart, smiling at him.

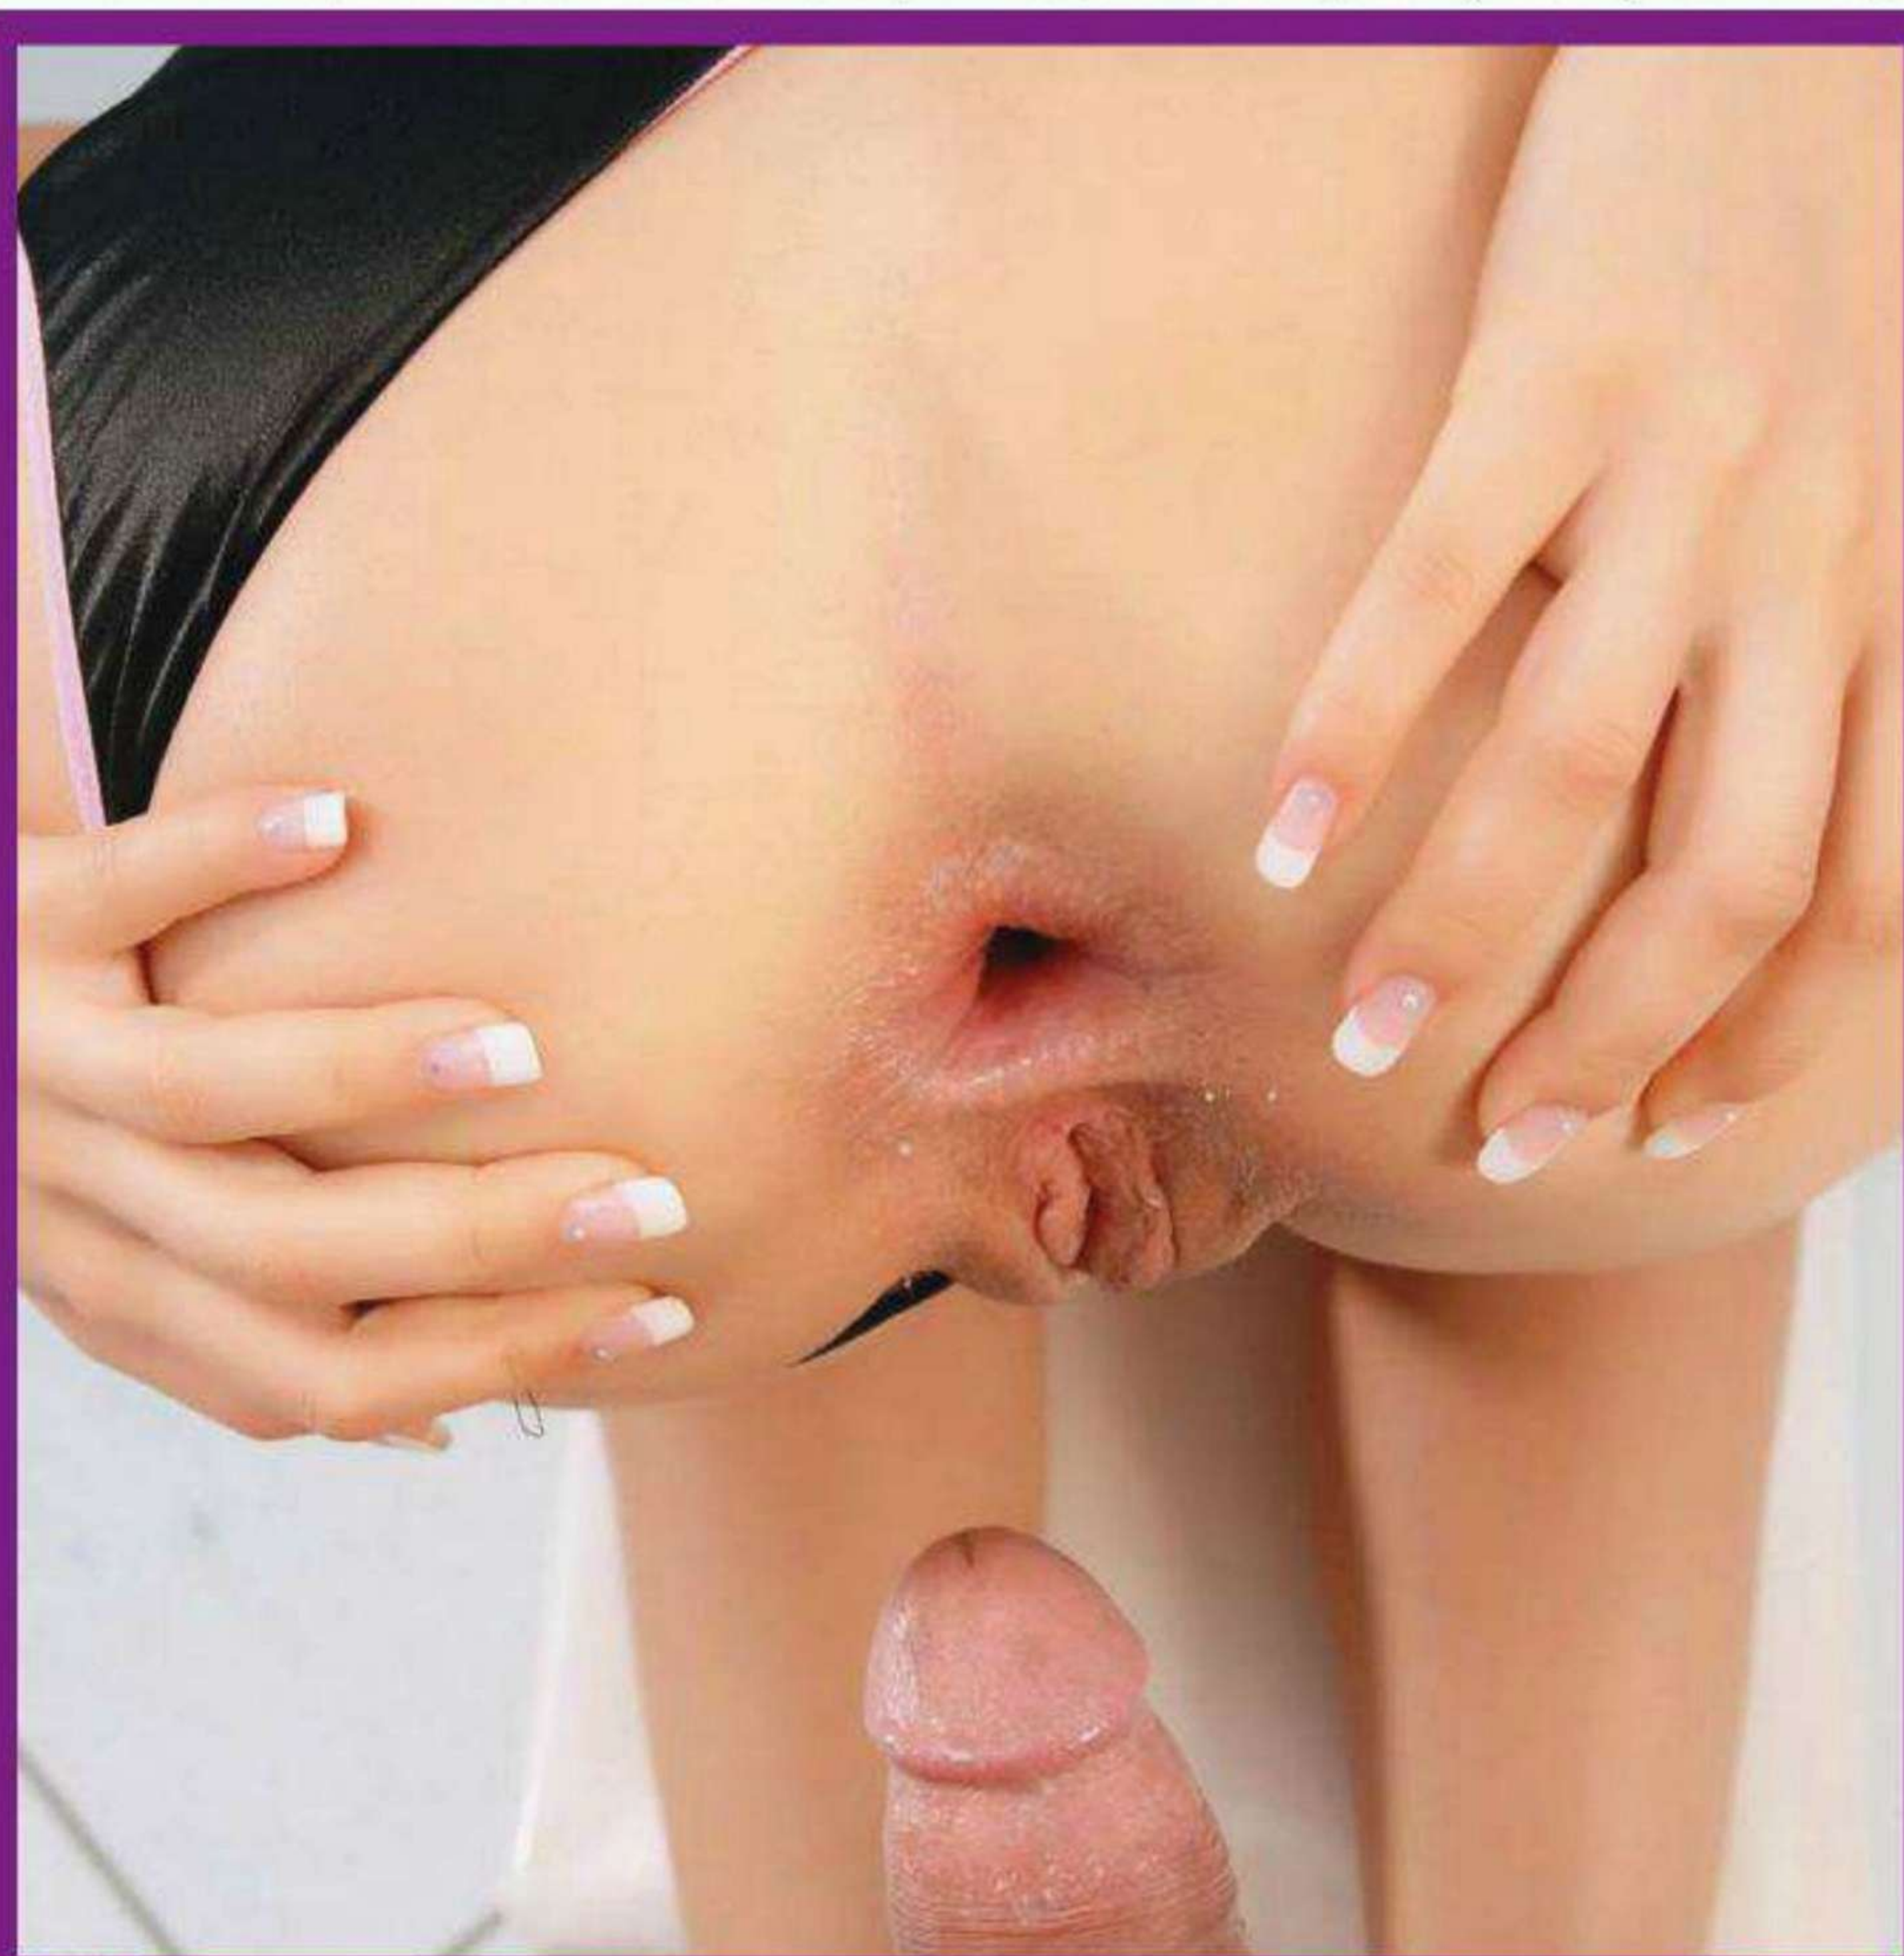

"From what some of my friends have told me, you're the best pussy eater they've ever known. Is that true?" I asked.

For an answer, he lowered his face onto my

I let go of his cock so he could get out of his pants and boxers. Here was a man who didn't want any clothes getting in his way when he fucked a woman.

As soon as he was stripped, it was my turn to go down on him, and I had to be quick about it, because he was all set to mount me. Pushing him onto his back, I leaned over him and took the head of his pecker into my mouth. I showed him I was as good at sucking cock as he was at eating pussy. I swallowed his cum like he had taken in my juices. It was as if we were having our own little picnic.

After I blew him, I still didn't want to quit because I loved sucking his dick, but by then, my cunt was almost crying out for the head of his prick between my pussy lips. No sooner did I stretch out on the grass with my legs apart, than he moved in over me, touched the head of his cock to the lips of my snatch, and went up

28490

pussy and began licking it. By then, I was so turned on, and my cunt was oozing out its juices, which he seemed to like. When he got a whiff of my pussy scent, he grinned at me and said he loved the fragrant smell that comes from between a woman's legs when she's in heat. He went back to eating my pussy, and he didn't let up until he sent me into orbit several times.

Finally, I pushed his head away, because I wanted to unzip his pants and get hold of his big, hard pecker. While he took off his shirt, he let me play with it.

I wouldn't have let him out of my sight if I were his wife, judging by the way he was hung. I wouldn't have let him get out of bed.

in one swift swoop. It felt so good fucking out in the open—so freely—like he and I were a part of nature.

Peter brought me off twice before he shot his load into me; and even still he had some zing left in his prick. With my ass sticking up at him, he turned me around so that I was on my hands and knees. His cock went up into me and he did it to me from behind.

I expect that my husband will have his job for a long time, because the thing Peter likes best is fucking his employees' wives. And he's been doing that to me a lot lately!

REWARDS OF HIGHER EDUCATION

GOOD SEX MAKES SCENTS

HORNY AGAIN

THE REWARDS OF HIGHER EDUCATION

It began with the proposition that hands are better at making dicks cum than cunts. This makes perfect sense—thus hands being more dexterous, and having more highly developed musculature than women's vaginas. This insight led my classmates and I toward some further observations. For just as a hand is superior to a cunt at delivering pleasure to a hard prick—it is equally more adept than a cock at triggering resounding orgasms in women.

This may be demonstrated by the fact that a cock is rather limited in its motions, whereas agile fingers can move in many different directions, independently of one another. They can twiddle clits, spread lips, and hook into the spongy interior of a primed pussy. These logical exercises inexorably led us to this conclusion: Since, in the case of bot

camera on a tripod, and then hooking it to my large-screen HDTV. This way, our masturbation marathon could be viewed larger than life, as it occurred!

Here are the results of our investigations. Firstly...

Wait! Fuck this nonsense! Enough scholarly pretexts! The truth of the matter is that we didn't give a damn about Science, and we couldn't have cared less about our theories. All we wanted was an excuse to forget about our grades and being members of MENSA. We just have raunchy sex like Liberal Arts students!

There we were—all of us naked and sitting cross-legged on the carpet—watching ourselves pull and poke one another toward hot, sloppy orgasms. Our placement was boy/girl/boy/girl—and I was lucky enough to be sandwiched between Nora on the

"I had three fingers in Nora's cunt, and a few more swirling around inside Angie's vagina!"

males and females—hands are more likely to strike memorable cum sessions—so is masturbation—therefore, more preferable to fucking. Unless, that is, we are to doubt the incontrovertible evidence of our senses.

Of course, there was a further conclusion to be drawn, namely that, as two hands are better than one, four are superior to two, and so on. Thus, group masturbation would appear to be the ultimate sexual kick. This theory—sound as it seemed—couldn't have been verified through solitary experimentation. It was for that reason, my fellows and I organized our first coed circle jerk!

In attendance at our first session (which was held in my dorm room) were four couples—Greg and Angie, Todd and Barbara, Jay and Rene, and Nora and myself—all of us sharing a healthy scientific curiosity. We rigged an interesting video set-up, mounting a

right, and Angie on the left. What contrast—Nora, her hair black as charcoal, huge, dangling, pear-shaped breasts, and blonde Angie—delicate as a sad melody, lithe, long-legged, small-titted, and tight-cunted.

I had three fingers in Nora's cunt, and a few more swirling around inside Angie's vagina, which had churned their juices into thick, white paste.

Meanwhile, they were busy pumping my huge erect cock, with one of them kneading the flaccid skin of my nut-sack as though it were dough, while the other made a wide "O" with her fingers and ringed it over my swollen glans, then began buffing my cockhead until it was glossy as polished platinum.

Barbara had bolstered Greg's roaring hard-on between the soft soothing flesh of her enormous pink-capped jugs, and Todd had already cum at least once. Jay and Nora had abandoned the

experiment, and were noisily fucking doggie style directly across from where I sat. Watching them go at it made me even hornier, and to top it off, I looked up at the screen and saw it all as if it were a porn video, watched myself digging around between two pair of splayed feminine legs, and studied Angie's pristine pussy as it opened wider than I'd ever thought possible.

Then, everything started to swirl, meld, and become dotted with blinding pinpricks of light. I was cumming, and somebody's thick, meaty lips were closing around my prick as it pumped and pumped its juice in hot, oily streams.

Before I could even come up for air, or even regain my equilibrium—I heard grunts and groans. I looked up to see Jay and Nora continuing their carnal coupling. He was now plowing into her as they spooned on their sides. Her leg was bent backward over his ass, and he was pumping into her with great intensity. Barbara—usually reserved in

class—had crawled over to Nora and began sucking on one of her erect nipples. Jay continued his feverish pumping and Barbara her steamy tit sucking. That's when Rene—not content with watching—crawled over and positioned her head between Barbara's beckoning legs. At that point, I could see the glistening pink flesh of her pussy being enveloped by Rene's mouth. The scene was an incredible thing to behold, and it was even more incredible as I watched Jay, Nora, and Barbara have simultaneous, mutual orgasms, just as I felt Angie's hand stir on my beginning-to-grow-again prick.

We have since conducted our inquiries a number of times, and the findings remain inconclusive. There is much work ahead.

It should all make a fucking incredible thesis, or even better—a fucking great porno video! Next time, we might even stream the action live on the Internet. In the interest of Science, of course!

GOOD SEX MAKES SCENTS

I read your magazine and others like it a lot, but I rarely see the topic of a woman's natural scent broached. I admit being into a "musky" chick is a fetish, but I bet a lot of other guys share my kink, but are too embarrassed to talk about it. Simply put, nothing gets me as hard as a woman's natural juices. If I'm near a girl who's been exercising, I'll start getting hard. If I'm with her and pull her panties off, and inhale the mixture of sweat and pussy juice, it gets me higher than any drug ever could.

Maybe it's because I used to be married to a woman who was a clean freak? Jill would never go down on me, or let me go down on her without a fast shower first. And after we'd fuck, well, she stopped nagging me to take a shower right away, but she would, and then she'd

wipe me off. It was hell relaxing after a good fuck, almost asleep, and feeling a wet washrag rubbing your cock. Plus, Jill's cunt was closed before 11 o'clock, "Sex in the afternoon or early evening was nasty;" well, you get the picture. She also slept on the couch during her period. I always told her that it didn't bother me, but that didn't count. She was embarrassed, and my arms were empty.

Once we split, I wanted joggers, girls who worked out, girls who'd go to a ball game and get so excited, they'd be as sweaty as the players by the time the game was over. However, most of them were so loaded with deodorants, douches, and perfumes, that I couldn't tell there was a woman around with my eyes closed. With a couple of them, I'd

DIRTY WORDS

munch their muffs until my face was coated with pussy juice, and I still couldn't smell or taste a thing.

It's a good thing there are still women like Heather. She's a big woman to begin with, yet in too good of condition to be called fat. Still, she's two inches shorter than me and weighs 150 pounds. She works in the kitchen of a fancy restaurant and jogs the half-mile home. I met her bouncing past and got so hard I almost tripped over my own boner.

I took her home with me, and we weren't ten minutes in my house before she picked up on the way I was coming on to her. "If you want to fuck me, Mister, don't bother playing games. I can use a good one, too," she said. I held her close and started feeling drunk from

cock bucked and filled her throat with sperm.

It was my turn to apologize, and her laugh shook the bed. "Never apologize for cumming," she told me. "The only time you got to apologize is if you can't cum again, and I don't think that's going to be a problem."

I told her it might take a while. "Oh, no, it won't," she said. She'd brought her panties with her. She pulled them over my head, so I was surrounded with the smell of her. She lay back, and I crawled on top of her to slide my stiff cock into her slippery slit.

She surprised me with the energy and motion she had—not to mention the tightness of her cunt. My second orgasm took longer—long

"She crawled over me, taking my prick onto her wet mouth!"

her sweaty and womanly smell.

I pulled her pillowy breasts out and started to suck on them, licking the film of sweat as I reached between her legs. She got wet faster than any woman I'd ever been with, and her panties were plastered to her crotch.

She actually started to apologize for her juiciness. I laughed, knelt down, and licked her cunt right through the stained, fragrant cloth. Then, I pulled it off with my teeth. I can't describe how her cunt turned me on. It was wet, sticky and runny. Her cream and good, clean sweat got my cock ripping through my shorts, as she laughed a Titanic laugh. "You really dig a wet woman; now let's see if you know what to do with one," she urged. We went into the bedroom, her hand squeezing my swollen shaft.

I lay on the bed and she crawled over me, taking my prick onto her wet mouth as she swung her cunt against my face. The first taste did it. As soon as my tongue met her ripe, strong flavor, my

enough for her to cum with me. Then we kissed, and I pilloved my head in her chest, totally drained, or so I thought. She pushed my head down until it was between her legs. "Lick me now," she said.

She was delicious. I could have stayed there all night, and even my own sperm added a pleasant, metallic tang. I couldn't believe it when I felt my prick growing again. I hadn't been able to go three times in a row since my honeymoon.

This time she got up, and leaned over a chair as I pumped her cunt standing up. She couldn't make herself as tight, but I got so deep I thought I'd drown. And when that gigantic ass began to swing, it was like she was squeezing my cum into her.

She started to leave, and I asked her when she'd be back. It would be a few days, since she had a boyfriend. She knew I didn't want to take his place, but her smell would continue to linger in my heart till next we met!

HORNY AGAIN

I had some time to kill as I was waiting for the Internet guy to reinstall my modem, and I couldn't believe how horny I was. Taking out a porno mag, I started to play with my pussy, and needless to say, things were getting hot quickly. Moaning, I pushed aside the magazine and slammed two fingers in and out as hard as I could, breathing heavily and wishing it was my toy—or better yet—a big, hard, hot cock.

I may be a nerdy girl, but I love good, hard cock—whether it's up my ass, down my throat, or stuck deep inside my hungry, tight pussy. I wanted a man like nobody's business, but I only had my fingers—not even any dirty pictures on the computer! I spread my legs wide, pulling at my **pink pussy lips and sighing**

see the Internet guy watching me.

"I'm here for the ...uh...cable modem," he said. I looked down at his pants and saw a huge bulge concealed under his pants. "Oh, I think you can deliver just what I need," I said, dropping my magazine and diving for his zipper. To my delight, there was nine inches of prime, solid meat—hard and ready for my empty pussy. I started slurping away, tonguing his shaft up and down, licking away the little pearls of pre-cum at the top, slipping my tongue tip around the hole at the top so I didn't miss a bit of the droplets, and then opening my mouth to take him all the way in.

"Oh yeah, baby, that's right, eat me raw!" He moaned. Then, we flipped **down onto the sofa for a hot**

me!" I howled, wiggling my ass in the air like a bitch in heat, wanting to feel his meaty goods in my love tunnel. He grabbed hold of my hair and fucked me hard. The solid muscle slid right into my box, and I moaned with bliss at every solid inch. His balls slapped against my pussy lips harder and harder as he massaged my tits, tweaking the nipples while his cock filled me up again and again. I bucked my hips against his screaming, "Fuck me harder! Fuck me harder!"

He slammed into me harder and harder, and I could feel myself building to a screaming, wailing orgasm. "Oh, baby, your cunt is paradise!" He moaned, and I wriggled my hips again, using my cunt to suck him dry, milking his **cock** with my spent muscles. "Cum on me, baby! Cum all over my ass!" I cried, wanting to feel his man milk all over my sexy ass.

"Get ready then, baby, because I'm gonna fuckin' explode!" He moaned while twiddling my nipples between his fingers and slamming in and out of me hard and fast.

He pulled out and started shooting cum all over my white, round, firm ass. Feeling the hot cum hit me was all it took; I screamed, gripping the pillow and came like a maniac over and over again as he slowly rubbed all of his thick, sticky cum into my flesh, then slid his cock into my mouth so I could clean him off. I came again at the taste of his meat, and his slurpy, delicious cum. What a treat! We spent the rest of the day fucking in every possible way—dripping with cum and juices. Thanks to his gooey delivery, I learned that the best things in life aren't virtual; because there's nothing like a hard cock to make me connect with what's really important!

—Alex D.

Hartford, CT ♣

"I moaned as his cock reamed my throat, rubbing the tender, pink flesh!"

with delight. I slid my fingers in, finger fucking myself—pushing them in and out incessantly. As I poked myself, I imagined the thick, heavy, nine-inch cock slamming into my cunt—filling me up so full that I could crack, and fucking me until I'd cum and cum and cum again.

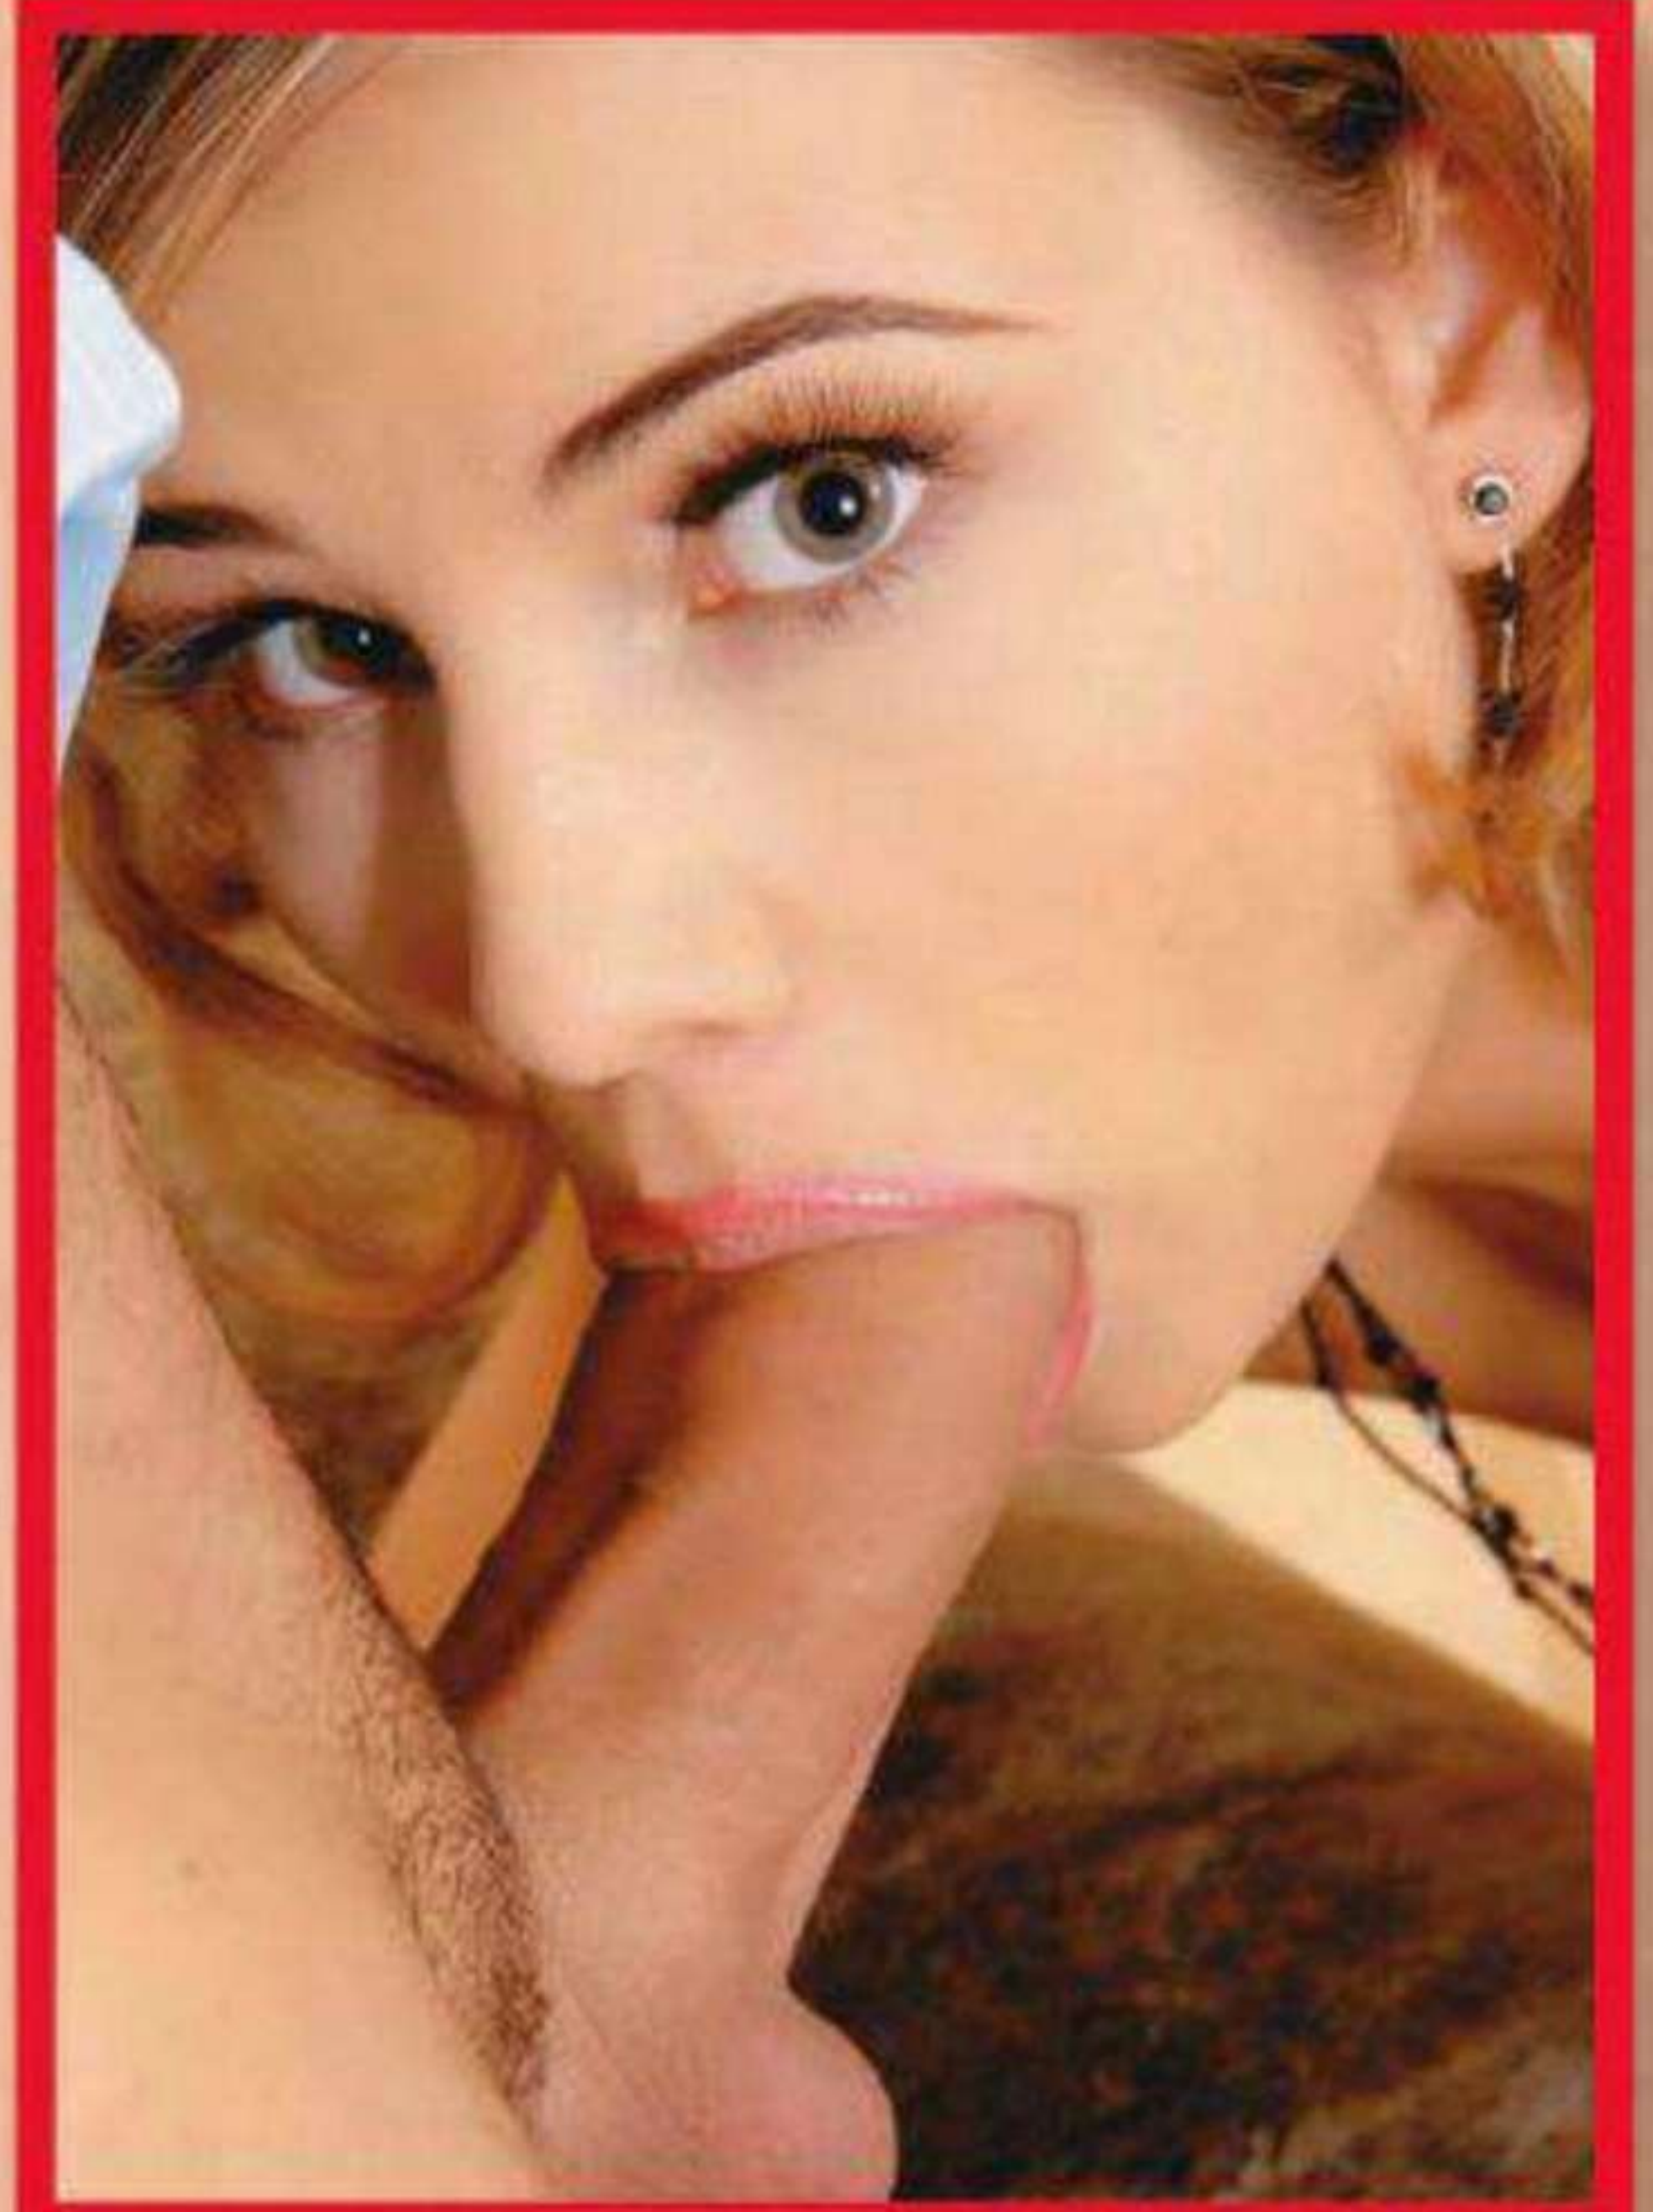

I was on a rampage, and wanted a big mouthful of that hot, sticky man-goo, too. I felt my pussy sucking tightly around my fingers as I slid them all the way in, the hot sexy, musky scent filling the room while I moaned. I pulled out my fingers to lick them clean and drive them home again—slurping all the hot, gooey pussy juice from my dripping fingers, slurping, and more than ready to fuck myself again. Then, suddenly, I heard a cough. I looked up—my fingers still fiddling with my dripping snatch—to

sixty-nine. He buried his face between me slender thighs, and I moaned as his cock reamed my throat, rubbing the tender, pink flesh. His tongue slobbered hot goodness all around my clit, teasing the shaven, pink lips and my slick sex slit. He was licking up my juices like they were sweet as candy.

Meanwhile, I just couldn't get enough of that cock. I was nibbling and slurping—getting every drop of that hot, salty pre-cum, and soon, his big, meaty balls were flapping against my dripping lips.

With a mighty sigh, he pulled out of my mouth, flipped me over, and squeezed my ass again and again—moving his fingers down to my gooey slit, and teasing me with his fingertips over and over again, making me wait for it.

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

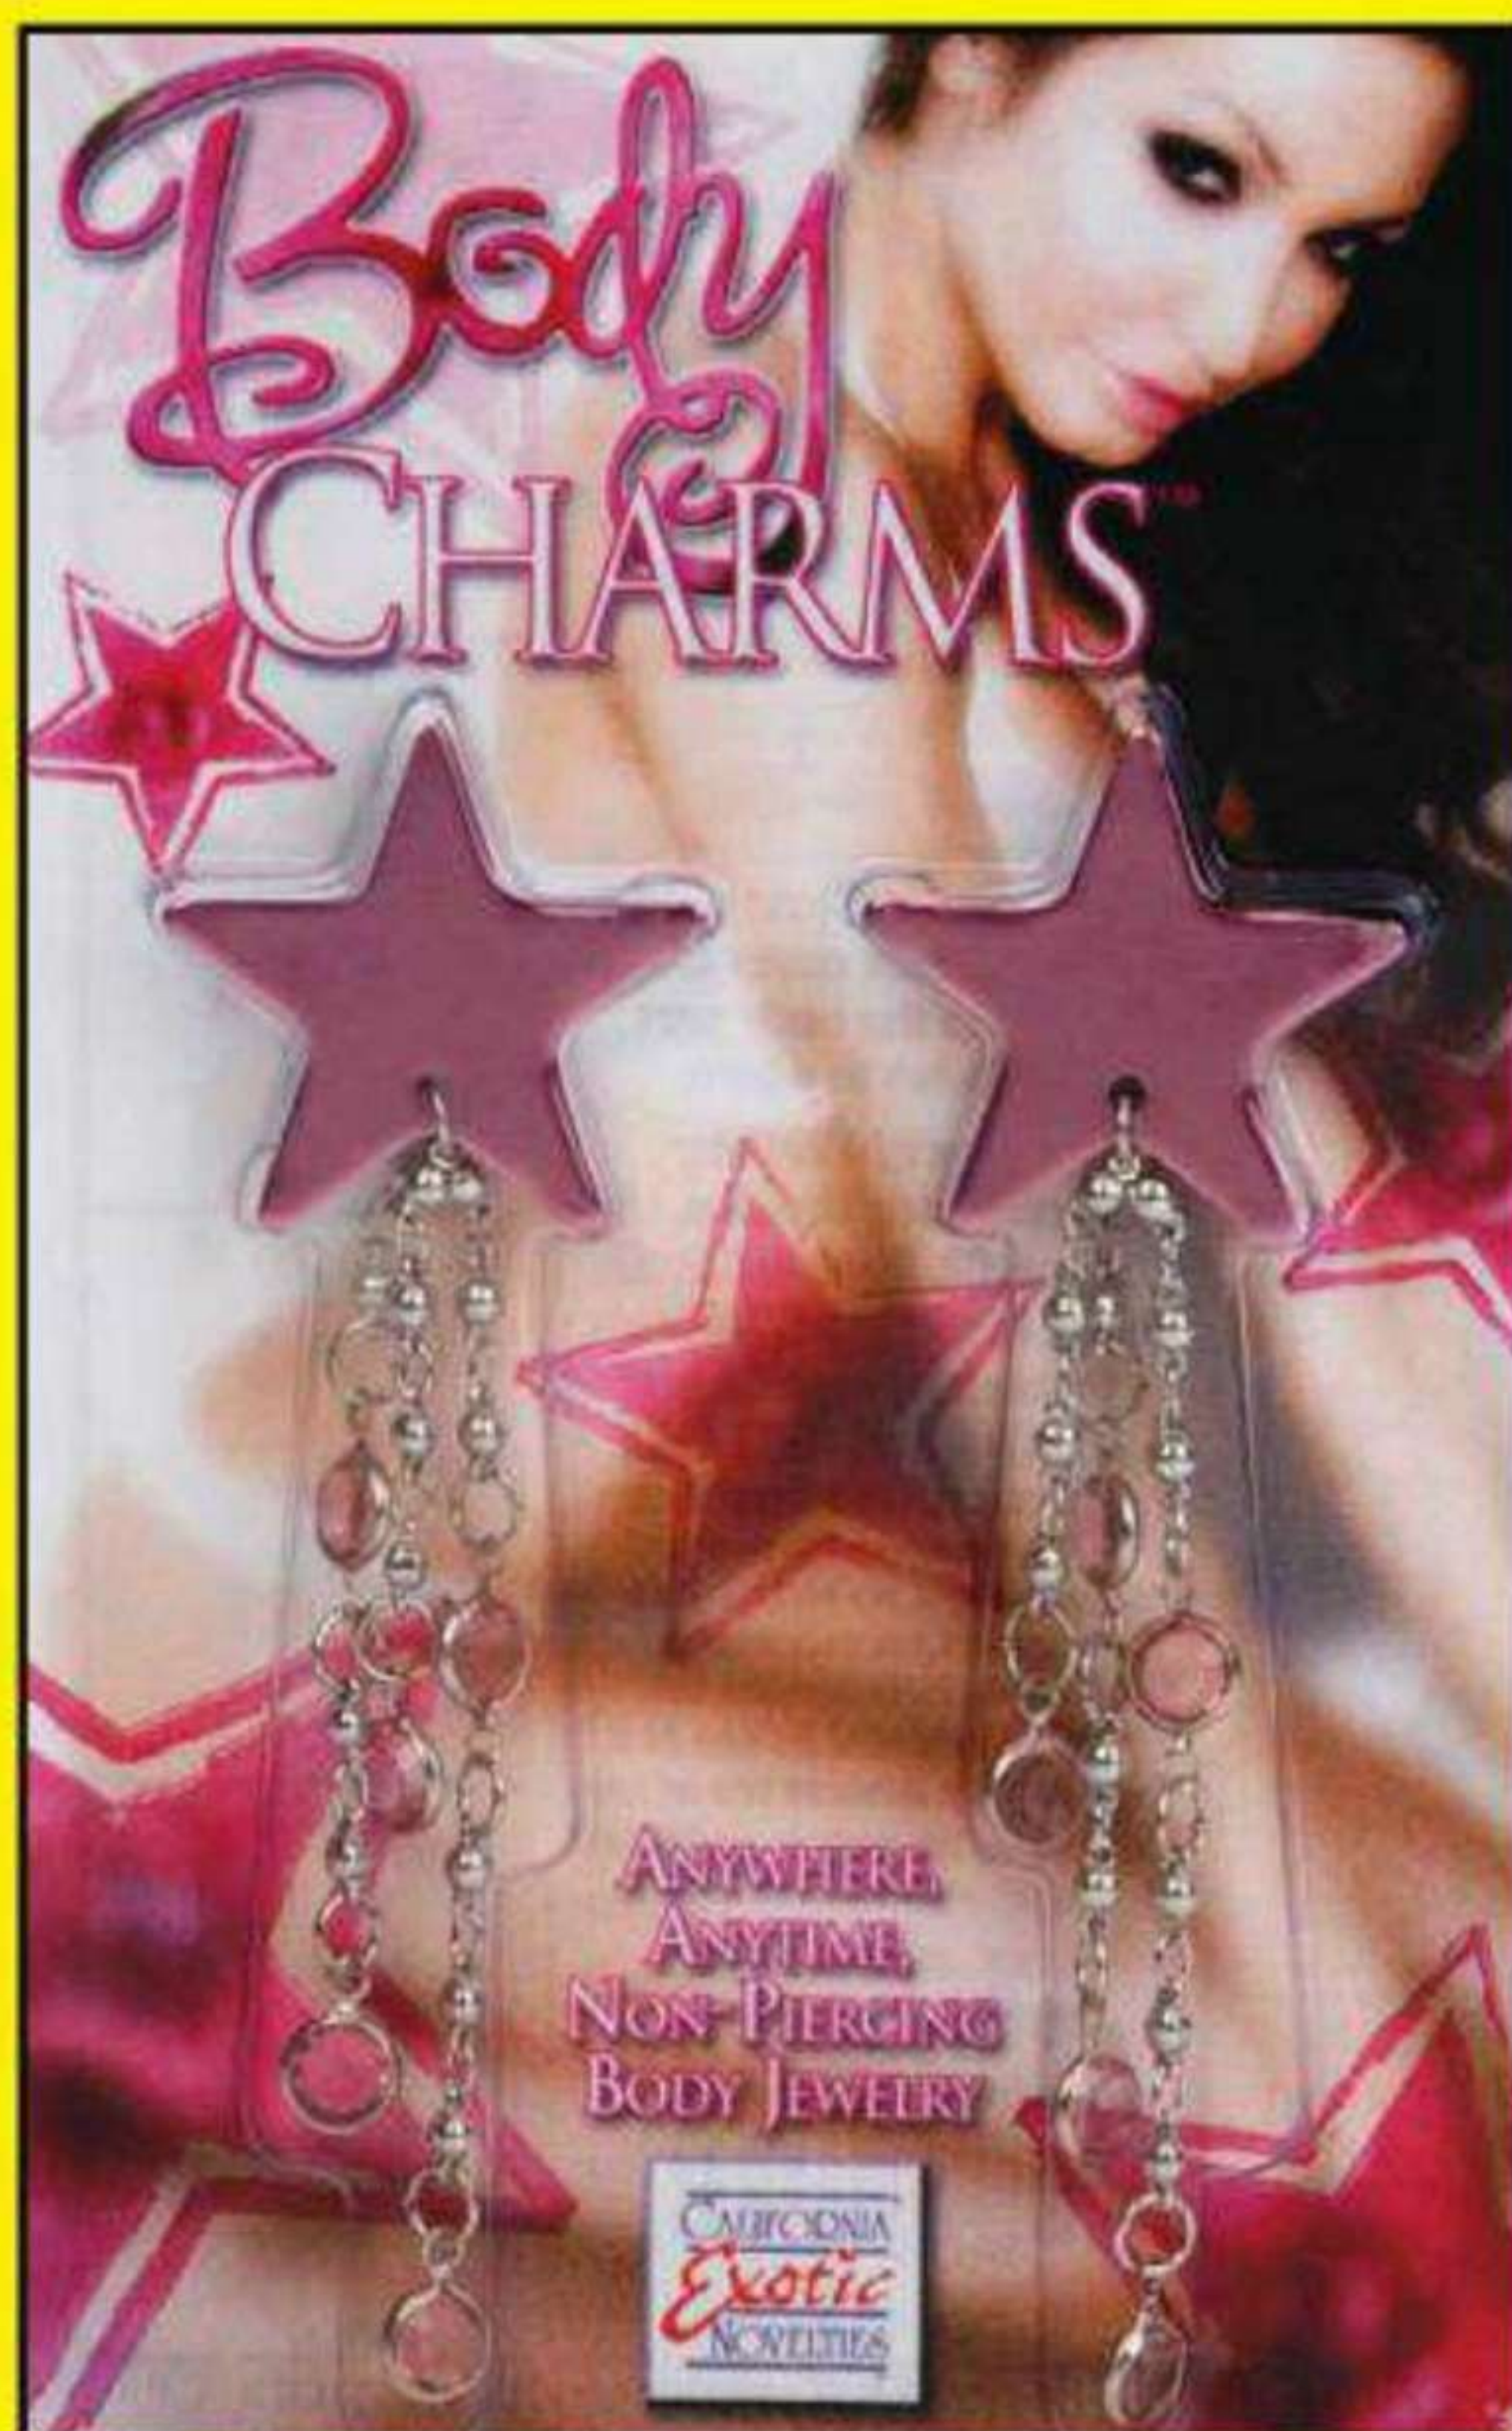

MASTURBATE YOUR HONEY!

Of course, I wasn't finished with my pretty, new girlfriend yet. I laid her delicious naked self down on the bed—as for me, I was still wearing the dress I'd worn to the *Club International* offices that day, and jewelry and pantyhose and pumps—and I took out a Pussy Pleaser Clit Climaxer, which can be found in the New Items section at www.calexotics.com. This is one wonderful toy, and I used its watch battery-powered suction cup TPR arouser and stimulating ticklers at different speeds to slowly but surely drive my Julie crazy! I cradled her in my arms while I played the toy over her clit and into her pussy and she got so excited the little butterflies and stars were shaking on her body as she came. And came. And CAME!! I love to masturbate my naked girlfriends while I'm dressed—it's a fetish called *Clothed Female, Naked Female (CFNF)*, but that, as they say, "is a whole other story. Meanwhile, why don't you get one of these Clit Climaxers and use them on somebody who will appreciate it, like my horny, Julie did!

ADORN HER SEXY BODY!

After Julie had gotten my point, I softened. I told her to take off the Dick-Thru-The-Head and let me show her just how pretty she could be when she was sweet and gay and obedient. I took out some Body Charms non-piercing body jewelry from Cal Exotics, in the shape of butterflies and stars. These pretty things are easy to apply, you just peel off to expose the adhesive. Julie looked gorgeous with butterflies and stars on her body. I kept switching them around until I got them just right. Julie's a slender, small-breasted Chinese girl, and wow, when I looked at her adorned like that, I thought I could be "strictly clitty" forever! The Body Charms also come in heart shapes. You can find them in the "New Items" section at: www.calexotics.com.

BALLS ON THE BRAIN!

I was in a weird mood the other night. I've told you readers before that I'm bi-curious and play around with girls sometimes. The other night, I got into a role-playing situation with Julie—a cute Asian girl I'm seeing. First I had her strip completely nude and put on the Dick-Thru-The-Head that I fished out of a huge box of California Exotic Novelties stuff I had in the office. You can find it in the "Gag Gifts" and "Party Favors" section at www.calexotics.com. Did she ever look funny with a dick going in one pretty ear and out the other!

I scolded Julie and told her she obviously had cock on the brain and that was not good if she was going to be a good, little lesbian for me! Julie whined and said she was sorry but sometimes she couldn't help thinking about cocks. I told her if she didn't stop concentrating on all the wonderful properties of cocks (which I myself of course am well aware of), I would have to give her a very stern lesson, and I wagged my finger in her face when I said this. She blushed and made an unhappy face. Naughty girl! I was still dressed, and I pulled naked Julie over my lap, with the Dick-Thru-The-Head still on her long raven-black hair, and then I showed her just what I meant to do...

Guys and gals, I hope you enjoyed hearing about my experiences with these great Cal Exotics products. See you next issue, and have good Playtimes until then! ♣

I'M SO HAPPY I'M A GIRL

MODERN SEXUAL
FREEDOM MEANS
EVERYTHING TO
THIS CUTIE!

Hi, my name is Rachel. I'm kind of old-fashioned. See, some of my fellow females might think that the best part of being a girl these days is that you can do whatever you want. Pick a profession; make it yours. Have a baby all on your own—who needs a father around? Join the army and go to dangerous parts of the world. Run for Vice President and get lots of publicity and money! I mean, girls really rule now, don't we, guys? You know we do. The things we get away with! And you love it. It makes you love us more! ▶

However, as I say, I'm old-fashioned. Or maybe I'm just not cut out to be a doctor, or a politician, or a rocket scientist, since for me, I still think that the best form of liberation for a female is to be able to enjoy cock and have threesomes with nobody judging you! Yep, that's enough freedom for me. I don't mind going to the kitchen and fetching a beer for my guys after they blow a load in my mouth and pussy. In fact, I suggest it to them when they're all sleepy-eyed after screwing the hell out of me. Guys look so cute with their logs lying across their tummies—gooey and wiped out. You know, I never told this to anyone before, but I think cocks when they're soft (and if they're long) kind of look like dinosaurs! That's another thing about being a girl in the 21st century. I can say cool stuff like that and nobody thinks I'm a slut for saying it. They just say, "Hey, never thought of that before! That Rachel sees things we men sure don't!"

Being free means I can pose in porn photos, and ride and suck guys like JJ and Walt here! I love two cocks in my hands, running my tongue back and forth over them! "Freedom is for the female." Hey, that's my motto! I thought of it just before the guys started cumming! ♣
